COUNCIL CALLS MASS MEETING TO DISCUSS SEWER PROBLEM

INDICATES VICTORY FOR COMMUTERS IN RATE WAR

LOS FELIZ BRIDGE IS OPEN TO TRAFFIC AT NOON TODAY

State Railroad Commission
May Make Order to Aid
Daily P. E. Passengers

Southern Glendale Business
Men Now Well Satisfied
by Stream of Traffic

Although the hearing on Pacific Electric rate increases were continued until February 24, when the Hollywood protest will be heard, the state railroad commission late yesterday indicated to the attorneys representing the suburban and beach cities that there was a possibility of again establishing something like the old rates for the commuters.

In the interim, there will be an order made to relieve a serious situation confronting those who only use the cars five and six days a week. They will be sold tickets on the basis of the number of days in the calendar month they must be at work.

The city attorneys were asked yesterday if they thought a return to old commutation rates, but the maintenance of the new single and round trip fares, would satisfy the people. This would keep the visitors away from both Glendale and Los Angeles, it is said.

To Face Combined Attacks
Hollywood will have to face the combined attacks of the railroad and other communities when their appeal for a 6 cent fare is heard on February 24. How can they expect to win when Glendale must pay 23 cents and Alhambra 26 cents for practically the same service.

The split in the protesting forces developed when City Attorney Hazlett, of South Pasadena, declared that the three suburban communities, under the increased rates, were being compelled to pay for improvements planned for the Hollywood and other lines.

Attorney Frank Karr in a lengthy statement in behalf of the Pacific Electric announced that system does not consider the increased rates high enough. He declared:

Predicts Great Suffering
"If you break down this new rate increase we can't pay for improvements and the community in general will suffer."

"The money for the improvements planned by the Pacific Electric, which includes the tunnel to be built from the Hill street station to Lake Shore and Sunset boulevards for the relief of Hollywood and Glendale traffic, is available."

"If the tunnel is built will you promise the people of Glendale that the Glendale cars will be allowed to operate through it?" asked City Attorney Woodard, of Glendale.

FLEET OF MOTOR BUSES PROPOSED

City Officials Ride in First Car
Which Is Offered for the
Municipal Railway

It was announced in The Glendale Evening News last night that city officials were considering the establishment of a municipal bus line to combat the rise in fares on the Pacific Electric railway, but—

It was not until 7 o'clock last night that the first unit of the proposed bus line went into operation.

And the first passengers on the first car of the first municipal (proposed) railway in Glendale were: Mayor Spencer Robinson, Councilmen C. E. Kimlin, S. A. Davis, Dwight W. Stephenson, H. H. Latham, City Manager W. H. Reeves, several city employees and a newspaper man or two—for ballast.

The car—a Morland-built bus capable of containing twenty-three passengers, started from the city hall, went west on Broadway to Brand, up Brand to Wilson, south on Brand to Elk, and then back to the city hall.

Incidentally, a Pacific Electric car in the way of Glendale's municipal bus and Mayor Robinson, who is leading the city's fight to secure a reduction of Pacific Electric fares, shouted his scorn—and verbally routed the car to a designation not down on the company's map.

Guthrie Seeks Facts

The council, it is reported at the city hall, is considering the purchase of a fleet of twenty motor buses to handle traffic between this city and Los Angeles. Figures furnished the council show that a fare of 10 cents may be charged and the city make money on that basis.

City Manager Reeves declares that a recent court decision will permit the city to conduct a municipal line, even running alongside the Pacific Electric's tracks, without asking the state commission's permission.

Anyways, a municipal railway—with a fleet of motor buses—is the sole topic of discussion at the city (Continued on Page 16)

Men, Women and Children Join in Search for Gold in Tujunga Wash; Rumor Nugget Is Found That Weighs About Four Ounces

Mr. and Mrs. John F. Tassmere of 409 East Lomita avenue motored to Sunland to hunt rabbits and the story they tell of the "gold hunt" in that vicinity is almost amusing.

Hundreds of men were traversing the big Tujunga wash in their bare feet, carrying every variety of pan a hardware store affords.

Their wives and children were to be seen along the stream with the family rocking chair, panning away for dear life like the days of '49. They had brought the home-made paraphernalia to the scene of the supposed gold discovery in the family flivver and hardly anyone stopped to eat lunch.

It seems that a rumor got around that someone found a nugget of almost pure gold, weighing about 4 ounces, and this has

caused a stampede of "would-be" miners.

Who started the story Mr. Tassmere would like to know, for certainly many people are either wasting their effort or a great gold discovery in the Verdugo Hills is about to be made.

According to old Spanish legend, there is gold in the mountains of this vicinity and several abandoned mines are to be found by the hiker.

It may be that in the great prosperity of Glendale and the surrounding communities, wealth is being overlooked in the mineral line.

Excavations in Verdugo Woodlands, some months ago brought traces of free gold, indicating that there must be some of the precious metal in La Cresenta or Monte Vista valley from whence the flood waters wash the sandy subsoil.

HIGH IDEALS OF ROTARIANS TOLD AT INTERMEDIATE HONORS ATHLETES

Jack Williams of Long Beach
Speaks at Luncheon; Music
and Songfest Enjoyed

Jack Williams, former president of the Long Beach Rotary club, addressed the Glendale Rotarians yesterday noon on the high ideals for which the organization stood. He was in a humorous mood and told of the Scotchman who was dying and called his three sons to his bedside.

"Lads, you will do your father a favor by burying him wealthy. Each of you place 100 pounds (about \$500 normally) in my casket and I will die satisfied."

Two of the boys put the called for coin in the casket, according to Mr. Williams, but the third son who was wiser than the others wrote out a check for the whole amount—200 pounds—and carried away his brothers' gold in change.

Apply Golden Rule

In answer to the question: What does Rotary mean? Mr. Williams said it was the application of the Golden Rule and he told a merchant in Long Beach refusing a \$15,000 premium on his business because the sale would mean his loss of membership in the organization.

Several visiting members were introduced and guests included Dr. W. C. Goodno of Pasadena and G. H. Kinsey of Hollywood, the latter having associated himself with two local members in the subdividing of property here. He was formerly a banker in the same city with C. C. Cooper, president of the local Rotary club.

Francis J. W. Henry led a spirited songfest while Herb Henning entertained with piano selections.

AT GLENDALE SANITARIUM
Mrs. J. A. White of Lancaster was operated upon this morning at the Glendale Sanitarium Hospital.

Today's World News In Brief

(By International News Service to Glendale Evening News)

PITTSBURG, Jan. 27.—Loot estimated by a bank official at possibly \$100,000, including \$80,000 in Liberty bonds, was taken by five heavily armed bandits who entered the First National bank of Crafon in mid-forenoon today. Assistant Cashier H. T. Moss, who resisted the robbers, was shot through the head and is dead.

SANTA ROSA, Jan. 27.—Luther Burbank, plant wizard, has succeeded in making berry picking a joy. He announced perfection today of a "thornless blackberry" which in yield and size surpasses the old thorn variety.

DETROIT, Jan. 27.—Henry Ford today was near the goal of prices he set out to attain several years ago when he announced he would sell "a car, a tractor and a truck for \$1000."

CHICAGO, Jan. 27.—Dr. Francis Populorum, said to be a professor at the Chicago dental college, was slashed with a razor and severely wounded early today in a mysterious affray in front of his home. Dr. Alpheus G. McGee was arrested after Dr. Populorum had accused him of the assault.

SAN FRANCISCO, Jan. 27.—The defense in the second trial of Roscoe ("Fatty") Arbuckle for manslaughter rested at 10:35 today. The defendant did not take the stand in his own behalf as in the first trial, his counsel holding that the reading by the state of Arbuckle's first trial testimony obviated the necessity. The state immediately opened rebuttal testimony.

NEW YORK, Jan. 27.—Nelly Bly, in private life Mrs. Robert L. Seaman, one of the special writers on the staff of the Evening Journal, died today of pneumonia. The thing that made her famous, made her name known not only throughout America but all over Europe and in many other parts of the civilized world, besides, was her trip around the globe in 1889, in 72 days, six hours and 11 minutes.

NEW CHURCH HOME FOR BAPTISTS IS BEING PLANNED

Attractive Addition to Present
Property Being Considered;
Resolution Is Adopted

Glendale Baptists are to have a new church.

Tentative plans for the erection of a structure worthy of the growth of the Baptist denomination were discussed last night at a business session in the church following a banquet, served by women of the church, which was well attended.

Through the advisory committee, the promotion committee recommended the erection of a handsome edifice on the northwest corner of Wilson avenue and Louise street to be connected with the present building. The new section would contain an auditorium with a total seating capacity of 250, including the number to be seated upon a large balcony.

A feature of the new church would be a reception room dividing the two main entrances. An attractive chancel and choir accommodations also are provided in the plans. The use of the present church auditorium as a Sunday school room is contemplated.

Plans Are Explained

Charles Cressey, architect for the Roy L. Kent company, explained the plans in detail as they were illustrated upon a moving picture curtain.

Roy L. Kent, who is a member of this church, remarked:

"Having been appointed as chairman of the promotion committee, and realizing that in order to get started it was necessary to get some information in the interim between the last meeting and the meeting tonight we have caused to be prepared some additional sketches or floor plans in order that you might be advised upon what it is possible to do on the site we now own."

The promotion committee at first had believed that the present property would be inadequate to meet the (Continued on Page 4)

LIMIT CLUBHOUSE COST TO \$50,000

Auditorium to Seat 800 Folk
Plan of Committee for the
Tuesday Afternoon Club

The members of the building committee of the Tuesday Afternoon club, of which Mrs. C. E. Hutchinson is president, met last night at the home of Mrs. Mabel Franklin Ocker, 246 North Central avenue.

The unanimous vote of the committee members was given on the matter of the cost of the proposed clubhouse to be erected at the corner of Lexington drive and Central avenue.

It was voted that the cost should not exceed \$50,000 and that the auditorium should be large enough to seat 800 people, including the gallery, with provision made for further enlargement when necessary.

Mrs. A. Tanner Guest of Honor at Dinner

Mrs. R. M. Brown of 416 North Kenwood street was hostess at dinner Wednesday night in honor of Mrs. A. Tanner of Greenville, Pa., who is spending the winter with her son and daughter-in-law, Mr. and Mrs. W. A. Tanner of 400 North Louise street. Those present included Mrs. A. Tanner, Mr. and Mrs. W. A. Tanner, Mr. and Mrs. V. M. Hollister, Miss Hattie Halverson and Mr. and Mrs. R. M. Brown.

Gives Social Session to Shakespeare Section

Mrs. A. H. Montgomery of 415 South Central avenue entertained at a social afternoon at her home yesterday the members of the Shakespeare section, of which she is curator, who recently presented the "Midsummer Night's Dream" program before the members of the Tuesday Afternoon club. The matter of repeating this program was discussed, but no definite date decided upon.

HARRY WHITE GOES EAST

Harry E. White of 609 North Jackson street is now en route to the east in behalf of the Harry E. White Inc., 1809 South San Fernando road. He is accompanied by A. W. Crossman of Los Angeles, coast representative of the Cletre factory in Cleveland, Ohio, which they expect to visit. Mr. White will spend a few hours in Chicago, Lansing and Flint, Michigan, also. He expects to be gone about two weeks.

HEARING WILL BE HELD ON NEXT WEDNESDAY NIGHT AT CITY HALL; OFFICIALS URGE PUBLIC TO ATTEND

A. H. Koebig, Consulting Engineer of Los Angeles, to Give Talk; Mayor Robinson Says Suggestions Will be Welcomed From Any Citizen

Public discussion of Glendale's sewage disposal problem will take place at the city hall next Wednesday night, February 1, at 7:30 o'clock.

This was decided by the city council in session last night, the suggestion that a meeting be held coming from Councilman C. E. Kimlin and unanimously endorsed by Mayor Spencer Robinson and other councilmen, although Councilman Dwight W. Stephenson declared that he believed not enough notice of the meeting was being given.

"It should be held the following week," said Councilman Stephenson.

However, he voted for the motion calling the gathering for next Wednesday night.

It was stated by the council that A. H. Koebig, a consulting engineer of Los Angeles and who is declared to have aided Burbank in sewage disposal problems, will make an address.

"And if anyone else has any suggestions to make on the sewage question we want them to appear next Wednesday night," announced Mayor Robinson.

Invitations will be extended to the Chamber of Commerce officials to be present and also to the members of the municipal sewage committee of which F. H. Vesper is chairman.

"I believe that we should hold a public discussion of our sewage disposal problems," said Councilman Kimlin in suggesting the mass meeting. "We have a very serious situation confronting us and I, for one, would like to hear suggestions from the Chamber of Commerce, members of the sewer committee and others who may have ideas to submit."

Whether the council chamber will be large enough to hold the crowd expected to attend was then discussed. It was decided, finally, that there would be enough room and W. H. Reeves, city manager, was instructed to secure additional chairs.

City officials proposed recently to establish a sewage disposal system on property in the northwest section of the city, but, as the result of protests, there was no further discussion of that plan.

Boy Scout Banquet Takes Place Tonight

"The Glen Inn has promised to serve a very excellent dinner tonight," remarked H. F. Benner, local boy scout executive, this morning commenting upon the fact that all reservations for the banquet have now been made and that its success was beyond doubt.

The program will be carried out as announced according to Mr. Benner. Six Eagle Scouts, who hold the highest rank in the order of scout-hood, will act as ushers and put on a special skit depicting activities of the organization. They will be led by Benjamin Robinson, Jr., of 407 North Louise street, who is a lifetime scout.

Beside those already mentioned the following organizations have reserved places at the banquet: N. P. Banks Post G. A. R., Tuesday Afternoon club, Federated Brotherhood, Glendale Clinical and Pathological Society, Sons and Daughters of Veterans.

Both Burbank and Eagle Rock are sending representatives.

Public Inspection of New Car Is Invited

The Packer Auto company is extending an invitation to the public to call at its spacious showrooms, Colorado and Brand boulevards, where the new '22 model Studebakers are on display. These cars were the sensation of the New York show and every member of the selling force is confident that nothing finer can be offered in the way of automobile values.

The Packer Auto company is open evenings for the present to enable every person residing in Glendale and the San Fernando valley getting a good look at the cars.

W. W. Hamilton Home Scene of Dinner Party

Mr. and Mrs. W. W. Hamilton of 327 West Garfield avenue entertained at dinner last night a group of Glendale friends. The color scheme of pink was carried out in the candles and other table decorations. The guests included Mr. and Mrs. Frank Beckett, Mr. and Mrs. A. P. Findlay, Mr. and Mrs. Parkhurst Cory, and Dr. and Mrs. J. D. Camerer.

DR. W. F. WEIR TO TALK

Dr. W. F. Weir of New York City will preach at the Sunday night services at the First Presbyterian church, Dr. Weir is secretary of men's work in the Presbyterian church and comes under the auspices of the local Presbyterian Men's Bible class.

CORNER OF VERDUGO AND COLORADO IS SOLD, \$10,000

William J. Mueller, Hollywood Resident, Sees Big Future for Outlying Property

William J. Mueller of Hollywood, but formerly engaged in the real estate and investment business at Chicago, has purchased the southwest corner of Verdugo road and Colorado street from Riddick & Driver for \$10,000.

This is believed to be a record price for outlying business property, there being but 50 foot frontage on Colorado and 150 foot depth on Verdugo. However, the restrictions at the corner of Broadway and Verdugo and the fact that Colorado is the next intersection for a business center in proximity to the new high school makes the location one of the most desirable sub-centers in the city.

Offers Being Received

Mr. Mueller states that he will build as soon as he can get the right kind of tenants. Already he has been offered a ten year lease for the corner by a chain drug firm which is seeking to establish itself in Glendale. Two more prospective tenants and the business center will be on its way. Already an oil station, grocery and vegetable market are located in the vicinity.

It might be mentioned that this lot is in the first unit of Necker's Orange Manor—a subdivision that is practically sold out, a very few lots remaining in the unit. The Riddick & Driver company also is handling Dahlia Heights, the choice Eagle Rock residential section also adjacent to Colorado boulevard, the great thoroughfare from Pasadena to Hollywood.

Some Citrus Trees Are Severely Frozen

G. W. Sanford of 692 Sycamore Canyon road is suffering from a very severe cold. The Sanfords report the citrus fruit in their vicinity quite heavily damaged by the recent cold weather. The trees as well as the fruit are now showing the effects of the freeze, which seemed to have come in waves, as on one ranch quite near them, the trees were so badly frozen, that the bark is bursting, while other groves are only lightly touched.

GLENDALE, CALIFORNIA, FRIDAY, JANUARY 27, 1922

Central Methodists to Give Program Tonight

A program will be presented tonight at the Central Avenue Methodist church, Central and Palmer avenues, under the auspices of the women's aid society.

Miss Alline Simmons of the Dramatic Art Studio, 101 North Cedar street, will interpret several darky stories. Mrs. Casper Puttle and Miss Irma Lucas will both play piano numbers; Mrs. Lorena Foster and Miss Jewell Gardner will sing a duet; Miss Ruth Harwood and Miss Eunice Moore will present readings; Roger Baker is scheduled for a violin selection; Mrs. Harry MacMullin will sing a solo; Miss Genevieve MacMulligan and Miss Julia Robinson will offer a duet; Mayor Spencer Robinson and Harry Girard will sing also.

If a man could jump proportionately as high as a grasshopper he could leap over a church.

Presbyterians Greet Many New Members

A reception was held last night at the First Presbyterian church for the new members who have been received into the church during the past three months, and was in charge of J. D. Algie of Eagle Rock.

The program included violin numbers by Miss Dorothy Watson, imitation of Harry Lauder's favorite songs by Mr. Algie, selections on Brunswick phonograph by Howard L. Brown, welcome to new members by Sabin Buck and a response on part of new members by David Black. After the program refreshments were served under the direction of Mrs. F. H. Dickman. There were between 300 and 400 present.

Some rivers of Siberia flow over ice many years old and almost as solid as rock. A tributary of the Lena has a bed of pure ice more than nine feet thick.

St. Mark's Guild Is Host at Church Dinner

A very successful church dinner was given at St. Mark's Episcopal church last night by the members of the Women's Guild, of which Mrs. Mortimer Baker is president, and was attended by over 200, in fact, the response was so great that thirty-five or more persons were turned away.

During the evening talks were given by Rev. Dr. Cornell, rector in charge; Mr. Hamilton, senior warden; Mrs. Mortimer Baker, president of St. Mark's Guild; Mr. Bernays, clerk of the vestry; Mrs. Bernays, superintendent of Sunday school; Mrs. Helen Campbell, chairman of the choir guild, and Mrs. Leroy Bosserman, who told about the recent organization of the choir guild. Several anthems were sung by the choir and songs by the congregation. A baritone solo by Mr. Townsend was very much enjoyed.

The dinner was in charge of Mrs. Farber and her committee. Mrs. Leroy Bosserman and the members of her Sunday school class had charge of the tables.

A. N. EARLY OPENS OFFICE

Chiropractor A. N. Early has established an office in the Rudy building, 105 North Brand boulevard, and is now on the lookout for a home in order to move his family here from Los Angeles. Mr. Early was graduated from the National College of Chiropractic in Chicago and has extended experience in his profession.

DR. E. F. THOLEN IS SPEAKER AT CLUB

Physicians' Organization Holds
Meeting; Sum of \$25 Sent
to Thornycroft Project

Dr. E. F. Tholen one of Glendale's residents but who is a specialist in Los Angeles, gave a most interesting lecture before the Glendale Physicians' club last night. The meeting was well attended and an interesting discussion followed.

As a result of this meeting the following letter was sent to Dr. William C. Mabry who is interesting himself regarding the disabled soldiers in Thornycroft:

Glendale California
January 27, 1922.

Dr. Wm. C. Mabry,
115 E. Acacia St.,
Glendale, California.

My dear Doctor Mabry:—At the regular meeting of the Glendale Physicians' club held last evening, it was moved by Dr. Henry R. Harrower and seconded by Dr. A. M. Duncan, that the sum of \$25 be sent to you on behalf of the funds to be collected for the equipment and betterment of the recreation hall recently built for the invalid service men at Thornycroft. I am glad indeed to enclose this check herewith and trust that you may have already received sufficient other donations to make

J. W. Branch Dies Suddenly in L. A.

J. W. Branch, who was assistant postmaster at Bishop, Calif., and had effected a transfer to the Glendale office to work with his old Los Angeles friend, George Hallett, now assistant postmaster here, died suddenly in Los Angeles prior to getting to Glendale. He was taken sick on the train and immediately sent to a hospital. A sister was at his bedside when he died.

BONUS CHECKS GIVEN OUT

J. R. Monell, manager of Chaffee's store No. 17, 108 South Brand boulevard, and T. L. Totman, manager of store No. 30, 113 North Brand boulevard, last night attended a managers' meeting of the H. G. Chaffee company at the main office, 912 East Third street, Los Angeles. The annual bonus checks were distributed and plans announced for the coming year. Announcement was made of the opening of several new branches in the next few days.

AT RESEARCH HOSPITAL

Fred Good of Tujunga was brought to the Glendale Research Hospital yesterday afternoon on account of pneumonia.

Robert Gerth, who has been ill with pneumonia, returned this morning to his home at 1018 Virginia place.

up the desired amount.

With fraternal greetings, I remain
Respectfully yours,
HENRY R. HARROWER, M. D.,
Secretary-Treasurer,
Glendale Physicians' Club.

American Legion to Hold Meeting Tonight

The regular weekly meeting of Glendale Post No. 127, American Legion, will take place tonight at the Legion hall at 610 East Broadway. An unusually large attendance is expected, as this will be the first meeting since the installation of the 1922 officers. Last week's meeting was postponed on account of conflicting with the first annual "get together" banquet, which was held at the Citizens' building.

Ladies' Toggery Shop Opens at 135 S. Brand

Catherine Neithardt and Lulu C. Sword today announce the opening of the Ladies' Toggery Shop at 135 South Brand boulevard. Among the many nationally known lines they are featuring are the Floraset corset and Gage hats. Glendale women will appreciate the daintily appointed shop which has been arranged by these business women.

MRS. PARKER ENTERTAINS

The members of the Congregational auxiliary of the northwest section of the city held a silver tea yesterday afternoon at the home of Mrs. C. F. Parker, 221 North Central avenue. During the afternoon piano numbers were given by Mrs. Emma Smith, and vocal numbers by Mrs. Charles Peckham, after which tea was served. Mrs. Parker was elected chairman and Mrs. H. Bullinger, secretary-treasurer, of the organization.

Mountain Heights Tract to Open Next Sunday

The realty firm of Kelly & Van Arsdol, 106 West Colorado street, has been appointed agent for the Glendale Mountain Heights tract of fifty-four lots in the northwest section of the city. This tract is located on Thompson and Sixth streets, or Glenwood road and is only one block from the Burbank car line on a gradual slope. They will undoubtedly prove to be a very popular residence section, the firm states, as the lots are very slightly and are high and level, overlooking Glendale and Burbank, and have the finest of soil. This tract will have water, gas and electricity.

The opening will take place Sunday, January 29, and at the price of the lots it is believed that the entire tract will be sold out within a week. A tract office has been erected on the property at Glenwood avenue and Thompson street, where a salesman will be in attendance. The large lots will sell at \$595, with \$100 down and \$15 per month.

MRS. THOMPSON HOSTESS

Mrs. C. H. Thompson of 348 West Milford street is hostess today to the members of the Milford Street Card club.

Locals and Personals

F. G. Robinson of La Crescenta was in Glendale yesterday visiting with friends.

Mrs. Marie McManus of West Vine street spent the past week-end with friends in Hollywood.

Mrs. G. H. Meighan of Hollywood spent Thursday in this city visiting with friends and relatives.

H. D. Wright of 514 East Harvard street was the guest of Los Angeles friends at a party on Wednesday night.

Mrs. Don Spooner of 336 North Orange street returned Wednesday night after spending several days in Long Beach.

Mrs. J. W. Daniels of 524 West Colorado street was the luncheon guest yesterday of Mrs. C. E. Rambo in Hollywood.

Edgar Lloyd Smith of 504 Fairmont street will return next week from a business trip to Winslow and other parts of Arizona.

Frank Dupuy of Long Beach, formerly of Glendale, was a visitor here yesterday, calling on friends and business acquaintances.

Mr. and Mrs. H. E. Hall of 319 North Maryland avenue will return Saturday, after having spent the larger part of the week at Long Beach.

The members of the Shakespeare section of the Tuesday Afternoon club will meet Monday at the home of Mrs. E. L. Young, 325 West Millford street.

Mrs. Kathryn Farrell of 435 West Patton avenue entertained as her guests yesterday Miss Flora McLaughlin and sister, Mrs. John Chisom of Los Angeles.

Mrs. D. H. Stimson of Detroit, Mich., is spending the winter as the guest of her son and daughter-in-law, Mr. and Mrs. R. D. Stimson of 1127 North Adams Place.

Mr. and Mrs. Richardson D. White and daughter, Helen, will move Saturday from 624 South Central avenue to their former residence at 1220 South Brand boulevard.

Andrew McDonnell of Belvedere Gardens was in Glendale Thursday visiting with former high school chums and neighbors. Mr. McDonnell is a former resident of this city.

Mr. and Mrs. John Dunn of 446 West Colorado street will be guests at a dinner and bridge party tonight at the home of Mr. and Mrs. Clarence Cass on Carondelet street, Los Angeles.

Mrs. R. C. Gaede of 324 West Cerritos avenue entertained at luncheon Wednesday in honor of Mrs. E. L. Early. Those present included Mrs. Early, Mrs. D. M. Doudna, Mrs. W. W. Stofft and Mrs. Gaede.

The regular monthly informal dance for Elks and their ladies will be held tomorrow night at the local clubhouse, with Joe Bellow, chairman of the entertainment committee, and his assistants in charge.

P. A. Pollock, who was confined to his home at 110 South Pacific avenue for about six weeks, is now back in his establishment, The Sunset Motor Works, on the southeast corner of Pacific avenue and Broadway.

At the regular meeting of Unity Lodge No. 368, F. & A. M., of which Dwight W. Stephenson is master and which will be held at Masonic Temple Tuesday night at 7:30 o'clock, the Third Degree will be exemplified.

Mrs. C. A. Redmond of 331 West Harvard street, who recently returned home from the Glendale Sanatorium and Hospital, where she underwent an operation, is getting along nicely and is now able to be up.

Mr. and Mrs. G. G. Neil of 369 West Colorado street and party of friends had the pleasure of taking luncheon Monday on board the ship "Buckeye State," which stopped at San Pedro, en route to Honolulu from Baltimore.

Quarantine has been lifted from the Max Green home at 528 North Maryland avenue and Mrs. Green is again ready to receive her friends. Little Barbara has fully recuperated from diphtheria which kept the family in for a month.

Mr. and Mrs. Everett L. Osborn of 447 West Broadway entertained as their guests at dinner Tuesday night Mrs. J. W. Dalrymple, Miss Mary Dalrymple, Mr. and Mrs. J. H. Wittemeyer, Mr. and Mrs. Fred Reinhold, E. L. Osborn and Miss Grace Osborn.

Mr. and Mrs. H. C. Nicholas and daughter Margaret of 337 West Wilson avenue were dinner guests recently of Dr. and Mrs. D. S. Hager of Los Angeles. Mrs. Nicholas entertained as her guest yesterday her mother, Mrs. M. G. Bogan of Los Angeles.

V. M. Tressler of 320 West Lexington Drive returned Saturday from a business trip to San Francisco, accompanied by R. D. Lay and Walter Webb of Chicago and Mr. Hooyer of Denver, whom he entertained as his guests for several days and motored to many of the points of interest in southern California.

S. L. Manson, who is temporarily living at the home of his parents, Mr. and Mrs. S. F. Manson of 437 1/2 West Dryden street, is expecting to move into his new home at 1010 North Pacific avenue within the next few weeks. His wife, who is visiting relatives in Atlanta, Ga., will arrive in Glendale about March 1.

Miss Dorothy Forbes, daughter of Mr. and Mrs. James Forbes of 419 South Lincoln avenue entertained a party of friends Wednesday afternoon in celebration of her twelfth birthday and anniversary. Her guests included Evelyn Meeker, Nellie Jepson, Beatrice Case, Virginia Horner, Janet Yarbrough, Marion Bean and Doris Forbes.

Locals and Personals

Mr. and Mrs. Fred S. Dixon of 324 South Verdugo Road were guests in Santa Ana Wednesday of Leonard G. Swales.

The next meeting of the Tuesday Afternoon club, to be held at Masonic Temple January 31, will be a social afternoon, with Mrs. H. E. Bartlett and her committee in charge. Through the courtesy of the Loomis-Shuck Music company the program will also include numbers by Miss Penelope Davies, vocalist, and Henry Souvaine, pianist.

Mr. and Mrs. John W. Garner of 600 North Louise street entertained as their guests at luncheon recently Mr. and Mrs. Orville Barker and Mrs. John Wall Auer, old friends from Portland, Ore. They also entertained as their guests Monday night Rev. and Mrs. Leslie Logue Boyd of Los Angeles, who were recently married. Mrs. Boyd was formerly Miss Georgiana Garner, niece of Mr. Garner.

New Reduced Prices Offered on Columbia

Columbia Gramophones and records at the new reduced prices are to be found at Kenny's Music shop, the local agency for that popular line of music purveyors. The Kenny shop is at 203 North Brand boulevard, just north of Wilson, and the store is filled with machines waiting for happy homes.

Popular records by such popular stars as Van & Schenck, Bert Williams, Frank Crumit, Nora Bayes, Ted Lewis, Al Jolson, Dolly Kay and a host of others are providing the public's desire for the latest song and dance hits.

All 85-cent 10-inch double disc records are now selling for 75 cents.

Give Luncheon Party to Group of Friends

Mrs. Fred Abbey and Mrs. J. L. Gray of 533 North Isabel street entertained a party of friends at luncheon today at the home of the latter. The guests included Mrs. Roy Kent, Mrs. Harry Chase, Mrs. Merrill Russell, Mrs. Walter Stamps, Mrs. Rene Olin, Mrs. P. L. Hatch, Mrs. Ray Bentley, Mrs. Roger Bentley, Mrs. George Bentley, Mrs. Arnold, Mrs. Kalbaugh, Mrs. Ray Morrow, Mrs. Glen Ely, Mrs. Hopkins, Mrs. Ray Galvin, Mrs. Maxwell, Mrs. Aren Howard, Mrs. Daxsee, Mrs. J. W. Feinstein, Mrs. Ernest Ford and Mrs. Grover Adams.

Petitions for Service Increase Being Signed

Petitions for increased service on the Eagle Rock branch of the Glendale & Montrose railroad are being signed at Cooke cafe and confectionery, 128 South Brand boulevard. It is stated that a large number of commuters are now going to their work in Los Angeles by way of Eagle Rock since the Pacific Electric fares increased.

LARGE NUMBER HEAR TALKS MADE ON 'CHIROPRACTICS'

'Wholesale Persecutions' Held 'Outrage' by One Speaker; Concert Well Received

"We have no quarrel with practitioners of the other school," declared Dr. E. C. Fortin of Los Angeles, discussing chiropractics last night in the Chamber of Commerce auditorium. He spoke following a concert by the "Four Embers Quartet" which was much applauded. The hall was packed with its audience.

"We are not competing with them at all. Each have their place," he said. "We need the surgeon; we need the physician; we need the Christian Scientist—we need them all as long as they are doing good, but we do need chiropractic immensely because it has demonstrated its worth."

Dr. Fortin declared that he had been commissioned to visit Dr. D. D. Palmer and "expose" his school of chiropractics at Davenport, Iowa, in 1915, but had been converted to his logic and had enrolled in the school himself.

Germans, according to Dr. Fortin, are able to develop only after the tissues of the body have been prepared for them by faulty nerve nourishment. He admitted that germs determine the kind of disease, but stated that they were in a secondary cause and not the primary cause.

"Wholesale Persecution"

"The wholesale persecution of the chiropractors in the State of California by the state medical board is an outrage on freedom and liberty that must be resented by every red blooded citizen," declared Attorney Louis G. Guernsey.

"It is nothing but high handed tyranny. We resent such an outrage. As a lover of democracy and a humble champion of human rights I ask the co-operation of every liberty loving American in the state to help us in this fight. An innocent business or profession cannot be prohibited under the guise of regulation. We, as Americans, should welcome with open arms and earnestly support any principle or science that has for its object the healing of the sick or afflicted."

"Three-fourths of all fines collected go to the medical board. It places the law upon a monetary basis. Under existing conditions, the chiropractor cannot obtain a license because the medical board does not recognize any chiropractic school or college. The chiropractor wants to practice within the law and is fighting for a law providing for a board of chiropractic examiners. The osteopaths are making the same fight."

Denmark's kings have been called either Christian or Frederick for over 400 years.

NEW CHURCH HOME FOR BAPTISTS IS BEING PLANNED

Attractive Addition to Present
Property Being Considered;
Resolution Is Adopted

(Continued from Page 1)
needs of a new church edifice, ac-
cording to Mr. Kent, but finally had
come to the conclusion that it would
suffice with careful planning.

"I wish to make this statement so
as not to be misunderstood," re-
marked Mr. Kent. "The work which
has been done so far has been done
without any obligation on the church
at all. It has simply been done so
that the church might have an idea
as to what might be done upon its
property."

The appointment of a building
committee, to be announced later and
to consist of five members selected
from the members of the advisory
and promotion committees, was de-
cided upon.

Members of Committee

Besides Mr. Kent, active members
of the promotion committee were
George H. Bentley, W. E. Stuart, A.
L. Chandler and Jacob L. Gray.

The advisory committee consists
of A. Van Wormer, C. G. Yarbrough,
J. M. Banker, J. A. Clephane, George
McLeod, W. E. Grigg, Edward Boss,
P. L. Harvard, P. L. Hatch, Mrs. J.
P. Moody, Mrs. E. E. Ford, Mrs. W.
P. Wood, Rene E. Olin, George H.
Bentley, Roy L. Kent, Jacob L. Gray
and Rev. E. E. Ford.

A resolution expressing the senti-
ment of the congregation in regard
to its building plan was adopted at
the close of the business session. It
follows:

"Whereas, due to the growth of
our membership during the past eigh-
teen months and its prospective
growth during the future on account
of the influx of home seekers to our
city, many of whom are casting about
for church homes, and

Whereas it is desirable that we put
ourselves in a position to take proper
care of our own and all who wish to
come in with us and

"Whereas, we feel that in order to
best accomplish this work for the
Master more commodious quarters
should be provided both for the
church and Sunday school, it is
herby

To Create Live Issue

"Resolved, that we recommend to
the advisory committee of this, the
First Baptist Church of Glendale,
that we turn our thoughts to the
erection of a permanent structure
following in a general way the plan
described by the chairman of this
committee."

The promotion committee further
recommended abandoning of all tem-
porary plans and engaging in a cam-
paign to create a live issue of the
building plan and raise sufficient
funds within the next year to erect
a structure in keeping with the high
standards established by the Baptist
denomination and a church edifice
which would be a credit to Glendale.

OFFICIAL MINUTES OF CITY COUNCIL

Following are the official minutes of the City Council which met
in session at the city hall Thursday night:

Council assembled at 7:30 p. m.,
all members present. Minutes of the
regular meeting of January 19th,
1922 were read and approved.

Los Angeles Street

Edgar Ayars appeared as a pro-
testant in the matter of the opening
of Los Angeles St. 150 ft. North of
Park Ave. After hearing the protest
it was moved by Councilman Lap-
ham that official decision be held
over one week.

No Protests Received
Protests were called for at this
time against the installation of water
mains on Campbell and Dryden Sts.
The clerk reported no protests re-
ceived and there were no protestants
present.

Rest Home Permit
Application was received from
Mrs. L. W. Choie for permit to op-
erate a Rest Home, known as Secret
Garden Rest Home. Same was re-
ferred to the Health Officer for in-
vestigation and report.

Opening of Bids
Bids were opened at this time in
accordance with advertisement call-
ing for the same, read, and publicly
declared for the improvement of Elk
Ave. (Everett to Adams), from the
following bidders:

Peter L. Ferry, Elk avenue.
Same were referred to the city
engineer for checking and report.

Bids were opened at this time in
accordance with advertisement call-
ing for the same, read and publicly
declared for the improvement of Lex-
ington, Doran, Howard, Geneva,
Everett Sts., from the following
bidders: Peter L. Ferry, Napier &
Simpson, W. P. Dusey and Thos. C.
Breitenstein, Flemming Construction
Co.

Bids were referred to the city en-
gineer for checking and report.

No Bids Received
The clerk reported that there were
no bids received for the improvement
of Brand Blvd., at San Fernando in-
tersection with concrete.

On motion of Councilman Kimlin,
the city attorney was instructed to
prepare resolution ordering the city
engineer to file in behalf of the city
of Glendale a bid for the improve-
ment of Brand Blvd., as con-
templated in resolution of intention No.
1309. Roll call, all voting aye.

Pacific Electric Franchises

Communication was received from
Charles B. Guthrie asking that he
be furnished complete data setting
forth the number and conditions of
franchises held by the Pacific Elec-
tric railroad, Pacific Electric Land
companies, or any of their sub-
sidiaries within the corporate limits
of the City of Glendale.

On motion, communication was re-
ferred to the city clerk for reply.

Sewer System Accepted

On motion of Councilman Kimlin,
the sewer system improvement work
in Municipal Dist. No. 4, was upon
recommendation of the city engineer,
formally accepted in behalf of the
city, by the following vote:

Ayes: Davis, Kimlin, Lapham,
Robinson, Stephenson. Noes: None.

Ordinance Presented

On motion of Councilman Lap-
ham, the following ordinance was pre-
sented, read and laid over: "An or-
dinance of the council of the city of
Glendale establishing the grade on

portions of Raymond avenue, Ru-
berta avenue, Glenwood road, Eighth
street, Winchester avenue and Jus-
tin avenue."

On motion of Councilman Kimlin
the following ordinance was pre-
sented, read and laid over: "An or-
dinance of the council of the city of
Glendale, establishing the grade on
portions of Lexington drive, and Bel-
mont street within the city of Glen-
dale."

On motion of Councilman Stephen-
son, the following ordinance was pre-
sented, read and laid over: "An or-
dinance of the council of the city of
Glendale changing the names of
Laurel avenue to Allen avenue,
Acacia avenue to Linden avenue,
Vine avenue to Western avenue,
Sixth street west of the centerline of
Raymond avenue to Glenwood road,
and Second street west of the center-
line of Raymond avenue to San Fer-
nando road."

Resolutions Passed
On motion of Councilman Davis,
the following resolution was adopted
as Resolution No. 1352:

"A Resolution of the Council of
the City of Glendale ordering certain
improvements to be made on a por-
tion of California avenue and certain
streets and alleys intersecting there-
with all in the City of Glendale."

On motion of Councilman Stephen-
son, the following Resolution was
adopted as Resolution No. 1353:

"A Resolution of the Council of
the City of Glendale ordering the in-
stallation of a water main on a por-
tion of Dryden street and on a por-
tion of Campbell street in said city."

On motion of Councilman Stephen-
son, the following Resolution was
adopted as Resolution No. 1354:

"That the Superintendent of Plant and
Production of the Public Service De-
partment, in the name and in behalf
of the City of Glendale, shall file with
the city clerk a bid for the installing
of a water main on a portion of Dry-
den street and on a portion of Camp-
bell street in the city of Glendale un-
der Ordinance No. 593 of the City of
Glendale, State of California."

On motion of Councilman Kimlin,
the following resolution was
adopted, as Resolution No. 1355, "A
Resolution of the Council of the City
of Glendale adopting specifications
No. 44 for the furnishing and laying
of Matheson Joint Pipe in the City of
Glendale."

On motion of Councilman Lapham,
Resolution No. 1358 was adopted, ap-
proving map of Tract No. 4668.

On motion of Councilman Stephen-
son, Resolution No. 1356 was adopted,
approving map of Tract No. 4823.

On motion of Councilman Davis,
Resolution No. 1357 was adopted,
approving map of Tract 4792.

On motion of Councilman Davis,
resolution was adopted as Resolution
No. 1359, approving map of Tract
No. 4718.

Maps Adopted
On motion of Councilman Davis,
map of Tract No. 4534 was adopted.

On motion of Councilman Kimlin,
map of Tract No. 4819 was adopted.

Bids Deferred
On motion, the awarding of con-
tracts for the improvement of Colum-
bus avenue (Vine to Broadway) to the
lowest bidder, to-wit, Napier &
Simpson, was deferred one week.

On motion, the awarding of con-
tract for the improvement of Gar-
field avenue (Glendale to Brand) to
the lowest bidder, to-wit, Napier &
Simpson, was deferred one week.

On motion, the awarding of con-
tract for the improvement of Elk
avenue (Central to Pacific) to the
lowest bidder, Napier & Simpson, was
deferred one week.

On motion, the awarding of con-
tract for the improvement of Lexing-
ton, Doran, Howard, Geneva and Ev-
erett streets to the lowest bidder, to-
wit, Flemming Construction com-

INDEPENDENT VOTER REAL CONDITION TO BE FACED

Even Leaders in Congress
Learn 'Party Solidarity'
Doesn't Always Exist

By J. E. JONES
Special to The Glendale Evening News.
WASHINGTON, Jan. 27.—The Re-
publican leaders have been obliged
to confess that the "independent vo-
ter" now not only votes at the polls,
but also votes in congress. The dis-
covery of these leaders is rather tar-
dy, because this condition, which is
no longer a theory, developed in the
last year of Mr. Wilson's adminis-
tration. "Old guard" newspapers are
printing appealing editorials calling
for "party solidarity" in congress,
and right now the party whip is be-
ing used in the national capital. But
those who are observing say that the
whip has lost its "cracker."
The question as it exists today is
not one so much of party loyalty as
it is the audacity of an independent
group to challenge the right of any
group of officials to make a definite
party program. Naturally the presi-
dent is the party leader, but Mr.
Harding is not stubborn in any de-
mands or requests that he is making
on congress. He takes the logical
position that the party program as set
forth in the last campaign must be
lived up to.
The conflicting elements exist in
the senate and in the house. The
"old guard" always has made the
program and they have made it for
this congress. The independent
groups constituting principally the
men who represent the farming inter-
ests have looked over the "old guard"
programs and served notice that these
schedules will not do. Apparently
they are paying no attention to the
crack of the party whip.

Farmer in Politics
The American farm bureau orga-
nization claims to have a paid mem-
bership of more than one million
members. The central headquarters
in Washington is a tremendous af-
fair, as is shown by the fact that it
spent \$492,393 during 1921. Even
Wall street would admit, if asked,
that they are "going some." The
American farmer feels aggrieved, in-
asmuch as his product is a raw ma-
terial, which, under the operation of
the economic law, is the first to feel
the fall of prices. The American far-
mer, therefore, told congress defi-
nitely that the packers and the grain
exchanges must be regulated and con-
trolled, and their demands were en-
acted into law at the last session. The
federal aid road bill was made to or-
der by the "farm bloc" in congress,
and they punched holes in the tax
bill and when it came through the
legislative processes it measured up
to all they asked for. Finally, the
tariff bill that was promised last year
has been subject to their objections,
and everyone knows that the bill can-
not be passed without the votes of
the agricultural senators.
There is a good deal of an outcry
against the control of congress by
groups, and the discussion as to
whether this is right or wrong is be-
ing debated in the press and by public
officials, including members of the
cabinet, two of whom have condemned
it. But all this seems to be rather
fatuous, for the simple reason that
the American farmer has actively en-
tered into politics in an apparently
practical way. These farm groups
have the votes, beyond question, and
they are using them to shape legis-
lation the way they want it. There
is nothing so very unusual about the
condition, but it is unusual that ev-
eryone usually are controlled by
somebody—the farmers are unlike
their predecessors who have been
bossing the job, because they are
brazing about it.

Knife Out in Wisconsin
Another round is due in the bat-
tle between the Wisconsin senators.
When Mr. Lenroot sought re-election
he was opposed bitterly by Senator
LaFollette, but he won out, neverthe-
less. Now Senator Lenroot is to have
his inning, and he has declared war
all along the line against the senior
senator. Senator Lenroot went so far
as to ask the senate republicans to
disown his colleague as a member of
the party, but the suggestion was not
acted upon. Both men are in the
senate as republicans, but when they
speak of each other it is usual for
Senator LaFollette to describe Sen-
ator Lenroot as a "reactionary,"
while Senator Lenroot is likely to
call his colleague mostly anything
except that which is complimentary.
The two men were originally staunch
political and personal friends.

Toys were packed in cheap coffins
exported by Germany before the war
to save space.

Cement is being used as a substi-
tute for lead in joining cast-iron
water pipes.

Popular Records By All The Most Popular Stars

Do you know that nearly nine-tenths of all the phono-
graph records made in America are popular numbers?

Song and dance hits, popular ballads, band music,
vaudeville and comic opera tunes, old familiar melodies
—that's the music most people really want and enjoy.

Americans are a light-hearted, laughter-loving people.
They refuse to take their amusements too seriously.

Because Columbia has always led in up-to-the-
minute music, all the up-and-coming popular artists
make records for Columbia only.

*You follow the crowd to find a good show. Follow the
popular record fans and you'll get what you want on*

GLENDALE'S GROWTH AND PROSPERITY COURT RECORD

Interesting Facts and Figures
In Legal Document Now on
File in Los Angeles

Glendale's growth has become a matter of court record and in the "tomorrowland" when some archeologist digs up the dusty parchments of Los Angeles county he will be able to give the story of "the fastest-growing city in America" as it is presented in City Attorney Bert P. Woodard's answer to the Oak Forest Land & Water company's suit against the city.

It is set forth that all of Scholl canyon is suitable for the erection of high-class residences, although the land company would have a cemetery on its property there. A general denial of all the points scored in the complaint are made and every measure is being taken by residents in the vicinity, as well as the city, to prevent the encroachment of that beautiful foothill section by a burying ground.

How We Have Grown!

Following is the section of the answer referring to Glendale's growth:

"That the city of Glendale is a rapidly increasing city with a population of over 25,000. That it has an area of approximately 15 square miles, all of which is being rapidly populated for residence purposes and all of which is adapted to and suitable for residence purposes.

"That said city is constantly laying out new streets, extending its municipal lighting and water systems to new districts.

"That the building permits issued by said city and the construction of buildings therein during the year 1920 amounted to \$2,136,664. That such permits for the year 1921 amounted to \$5,999,291.

"That during the year 1921 permits were issued by said city of Glendale for 112 business buildings, 15 apartment buildings, 753 garages, additions and sheds, 4 one-room residences, 121 two-room residences, 185 three-room residences, 432 four-room residences, 447 five-room residences, 146 six-room residences, 40 seven-room residences, and 73 residences containing eight rooms or over.

"That the ratio of the increase of population and of building in and of the city of Glendale aforesaid has been greater during the year 1921 than in any previous year in its history.

"That ratio of the increase of population of said city of Glendale as shown by the 1920 United States census for the year 1920 showed the greatest ratio of increase in the state of California during the period of time from the taking of the United States census in the year 1910 to the taking of the United States census in the year 1920. That since the United States census was taken in 1920 the ratio in increase of population of said city has been exceeding that of the period of time for the ten years previous.

Maybe Before 1930, Eh?

"That if said city of Glendale continues to grow in population at its present ratio of increase all of the territory in said city will be thickly and closely built up by approximately the year 1930. That the business district of said city is extending rapidly.

"That the tract or body of land known as Scholl Canyon is situated in that portion of the city of Glendale in which great development has recently started. That there are eight or ten new houses being constructed and many more than that number are now contemplated in Scholl Canyon and in that part of the city of Glendale annexed to said city in the month of August, 1921. That although said property is known as and called 'Scholl Canyon' it is in fact a valley and not a canyon, well adapted for the erection of residences and the establishment of a high-class residential district."

ASK YOUR GROCER

Has Two Legal Wives

—Copyright Underwood & Underwood.

Thomas Wells, Jr., some twelve years ago married Stasia Welch, lower photo, known in Youngstown, Ohio, as "the most beautiful girl in town." There were marital disagreements. Tom went to war—and was forgotten. With the war over the young millionaire returned and decided to lead a quiet life, his better half refused, so Tom Wells got himself a divorce. Eight days after he got his divorce he was married to Marian Povie, Red Cross nurse. But wife number one could not get along on \$300 monthly allowance, so she went back into court and the court of appeals reversed the decision, leaving him with two legal wives.

AMERICA WILL LOAN GOLD

WASHINGTON, D. C., Jan. 27.—America's \$3,000,000,000 stock of gold will be partly distributed eventually in specific gold loans and investments in foreign countries able to rebuild their currency systems on a stable gold basis, according to a compilation today of the views of leading financiers of North and South America.

Officials of the treasury and of the federal reserve board agree that America is overstocked with gold. They believe that some of it can be used in investment of capital abroad as the best economic course for the United States. The American section of the commission, it is declared, regards it as mutually desirable and profitable for the United States that capital investments should be in the other American republics where credit is on a stable basis.

MAY ABOLISH HANGINGS

WASHINGTON, D. C., Jan. 27.—Electrocution instead of hanging would be made the method of capital punishment in the District of Columbia after June 1, next, under the terms of a bill by Senator Dial, Democrat, of South Carolina, passed by the Senate.

MANY CASES OF RHEUMATISM NOW

Says We Must Keep Feet Dry,
Avoid Exposure and Eat
Less Meat

Stay off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water and above all take a spoonful of salts occasionally to keep down uric acid.

Rheumatism is caused by poisonous toxins, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work; they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism.—Advertisement.

Does She Live in Glendale?

A "Beauty Quest" By Los Angeles Times

Not a Voting Contest—Nothing to Buy—No Strings to the Offer

North, East, South and West all claim the prettiest girls in America. The Los Angeles Times insists that this honor belongs to the Southwest. To prove it, The Times has started a "Beauty Quest," \$10,000 to be spent in searching out local pretty girls, \$4900 to be paid in cash awards for the 18 prettiest girls in Southern California and Arizona.

6 Districts-19 Cash Awards

Besides finding the PRETTIEST GIRL IN THE SOUTHWEST, The Times wishes to find the prettiest girl in different localities. The Southwest has been divided into 6 districts, 3 prizes to be paid in each, with a grand additional prize of \$1000 for the prettiest girl of all, the Queen of Beauty in the Whole Southwest.

Table of Cash Awards

Zone	Territory Embraced	1st Prize	2nd Prize	3rd Prize
1	City of Los Angeles	\$500	\$100	\$50
2	Los Angeles county outside of the city	\$500	\$100	\$50
3	The counties of San Diego, Imperial, Orange and Riverside	\$500	\$100	\$50
4	The counties of Inyo, San Bernardino, Kings and Tulare	\$500	\$100	\$50
5	The counties of Santa Barbara, Ventura, Kern and San Luis Obispo	\$500	\$100	\$50
6	The State of Arizona	\$500	\$100	\$50

An Additional Grand Prize of \$1000

will be paid to the Prettiest Girl selected from the first prize-winners in the above 6 zones, hence the grand prize-winner will receive a total of \$1500.

Photographs Wanted at Once Quest Now On—Ends February 22nd

Starting immediately, both daily and Sunday, The Times will print pictures of local pretty girls. As soon as mechanical exigencies will permit, these will appear on Sundays in The Times' beautiful Rotogravure Section.

Photographs should be sent at once. The young women need not do this, but interested friends may submit pictures, being careful to obtain proper authority and to paste an Information Blank properly filled out on the back of every photograph.

In less than one month the "Quest" will end, no photographs being accepted after midnight, February 22. A committee of disinterested art critics will then, by careful comparison, eliminate pictures until they have a group from which the prize-winners will be selected. If necessary the young women or some of them in this group may be asked to come to The Times office to have new photographs taken in conventional poses to better enable the judges to make decisions. No charge will be made for this.

Large Size Photographs of Winners Will Be Published

When the judges have made their decisions, large size photographs of the winners will be reproduced in sepia tones in the Sunday Times Rotogravure Section, probably 6 prize-winners each week. On the Sunday following this, the front page of the Rotogravure Section will be devoted to a full-page art study of the grand prize-winner, the prettiest girl of all, the MOST BEAUTIFUL GIRL IN THE WHOLE SOUTHWEST.

Rules of Beauty Quest

- (1)—Send one, and only one, photograph, mailing it as early as possible, but in any case so it will be postmarked before 12 o'clock midnight, February 22. Address it, Manager, Beauty Quest, Los Angeles Times, Los Angeles, Calif.
- (2)—The photograph must be accompanied by the information blank, properly filled out. These blanks will be printed daily in The Times until the contest ends.
- (3)—All entrants must be single (never married).
- (4)—All professional beauties are barred, i. e., those whose beauty is their principal means of livelihood, as actresses, models, etc.
- (5)—Each entrant must be resident of the zone from which her photograph is entered.
- (6)—No photographs can be returned. Do not send stamps.
- (7)—A person may submit the names of more than one young woman, but the permission of each must be obtained and the photographs sent separately.
- (8)—Employees of The Times and members of their families are barred.

Glendale Pictures Desired

There are no fees or charges. Entrants need not be Times subscribers. The "Beauty Quest" is in no sense a contest.

The Times is serious in its desire to obtain a refined and artistic representation of local pretty girls, a picture-gallery that will show the many different types of local beauty and which will convince eastern editors and art critics that the real home of America's pretty girls is in the Southwest.

JOHN CAMPHOUSE ON FACULTY WORK OF U. C. EXTENSION

Glendale Resident Is Accorded High Honor; Local Banks Are Well Represented

John Camphouse of 612 West Elk avenue, who is employed by the Los Angeles Clearing House association, has recently been given a very high honor, being placed on the faculty of the extension division of the University of California.

Mr. Camphouse years ago was employed by the Farmers' & Merchants' National bank of Los Angeles, finally becoming auditor. He went to Arizona and engaged in the mercantile business, but returned to accept a responsible position with the Los Angeles Trust & Savings bank.

Resident Many Years

He has been a resident of Glendale for many years. He has been actively identified with the American Institute of Banking, and last year was its secretary and treasurer. This is the first time the local chapter has had one of its own members as instructor, the usual course being to secure them through the Extension Division of the University of California or from the University of Southern California.

When the Santa Barbara Chapter of the American Institute of Banking was organized this fall, they secured Mr. Camphouse as their instructor, and he has also been made a member of the faculty of the Extension Division of the University of California.

The American Institute of Banking is a section of the American Bankers' association, and has more than 44,000 members in about ninety chapters. Los Angeles Chapter ranks fifth in size and has about 1700 members representing 96 banks in Los Angeles and Orange counties. The Glendale banks are well represented at the classes.

EXPRESS BRITISH VIEWS

LONDON, Jan. 27.—British officials close to Downing street intimated today that Great Britain would co-operate with the United States for world rehabilitation along the lines laid down by America if the Washington government will participate in the international economic conference at Genoa. It is agreed that the program announced at Washington for world reconstruction must furnish at least part of the basis of discussions at Genoa.

Despite the flat declaration by Premier Poincare that France will not consent to discussion of indemnity at Genoa, the British believe that rearrangement of reparations must be part of the program if any progress is to be made toward normal conditions. The British also agree with the United States that armies and navies should be reduced as a definite step toward economic recovery.

JAPAN YIELDS, IS CLAIMED

WASHINGTON, D. C., Jan. 27.—The deadlock over the five-power naval treaty, caused by Japan's insistence upon fortifying the Bonin Islands, has virtually been broken. It was announced by the American delegation.

Japan has yielded to the American position and has agreed that the islands shall be included in the status quo arrangement covering Pacific fortifications.

TO TAKE RESPONSIBILITY

MOSCOW, Jan. 27.—Beginning February 1, the soviet government of Russia will resume full liability for all goods transmitted over Russian railways. It was learned today. This is another step by the government in its new economic policy to encourage private commercial enterprise.

Nations Must Take Risks in Peace, So Lloyd George Claims

By DAVID M. CHURCH

Written for International News Service
LONDON, Jan. 27.—There can be no peace unless there is understanding followed by a considerable reduction of armaments," said Premier Lloyd George addressing the coalition-liberal political convention today.

"Nations must take risks in peace as well as in war. The Washington conference has been a notable success. If there had been such a conference in July, 1914, there would have been no war catastrophe in August, 1914. Each conference is a rung in the ladder of peace."

Lloyd George replied to Premier Poincare's threat to return to pre-war diplomatic methods with an impassioned appeal in behalf of "face to face discussions by all nations invited to the international economic conference at Genoa."

DRAFT PLAN IS REFUSED

CHICAGO, Jan. 27.—Magnates of the American association at a special meeting here voted not to accept the draft plan proposed by Judge K. M. Landis, baseball commissioner. The Pacific Coast league already has voted against the draft plan, leaving the International league the only one of the three class AA circuits still to act.

"Thank You"

This acknowledgment of a courtesy or service is somehow the satisfactory end of a transaction. Both parties are pleased and the relations of the moment, however unimportant, are more happily closed.

There is no occasion when an effort made for the comfort or convenience of others is not worth a "thank you."

In the daily routine of telephone operations, where the saving of time is the great consideration, the opportunity of expressing an appreciation of a service rendered seldom arises.

But remember that the telephone operator is human. Courtesy to her means more cheerfulness in her work. It will be reflected in your own self-satisfaction.

EAT MORE MEAT IS PLEA

WASHINGTON, D. C., Jan. 27.—Thomas E. Wilson, Chicago packer, addressing the National Agricultural conference, urged Americans to add a half pound of meat to their weekly diets.

"It would go a long way towards restoring the parity between livestock values and other basic commodities and would add to the purchasing power of the farmer," he said.

BEST DRESSED PRESIDENT

WASHINGTON, D. C., Jan. 27.—"President Harding is the best dressed president that ever occupied the White House," according to a delegation from the Merchant Tailors' and Designers' association, which called at the White House today. Advertising note: The President's tailor, a Toledo, Ohio, craftsman, was a member of the delegation.

SENATE DEMANDS RECORDS

WASHINGTON, D. C., Jan. 27.—Attorney General Daugherty has been requested to furnish the Senate with the complete records of all political prisoners, convicted under the espionage and war conspiracy acts. The request was embodied in a resolution, offered by Senator Borah, Republican of Idaho, and passed by a viva voce vote.

JOHN S. MCGROARTY WILL SPEAK ON PROPOSED PARK

Improvement Project to Help
San Fernando Valley Will
Be Told at Meeting

John Steven McGroarty, author of the Mission Play, will address a public meeting of the people of the San Fernando valley at the San Fernando High school, Thursday night, March 23.

Mr. McGroarty's subject will be the relation of the proposed park at the old San Fernando Mission to the development of the valley. This park will be the entering wedge in a very complete and comprehensive system of recreational parks in the north-west section of the county. The parks and boulevards committee of the Regional Planning Conference is planning a system of recreational centers for the entire county, and much prominence has been given to the San Fernando valley.

Makes Careful Study

Mr. McGroarty has attained a nation-wide reputation as a result of the remarkable success of the Mission Play that is now being staged at San Gabriel. He has made a very careful study of recreational needs and his address is sure to be interesting and instructive. Mr. McGroarty will be accompanied by Madame Selby, a noted singer, who will assist in the program.

The campaign that is being carried on for the construction of a park surrounding the old San Fernando Mission is being handled by a special committee of the Associated Chambers of Commerce of the San Fernando valley. The committee consists of Kingsley Pease, chairman, and Mrs. Robert MacLay and J. L. Plummer, Jr.

OFFICIALS SEEK RELEASE

PITTSBURG, Kans., Jan. 27.—Alexander Howat and August Dorchy, deposed and imprisoned officials of the Kansas Coal Miners' union, were preparing today to seek their release from the Columbus jail. Attorney Phil Callery, it was said, was arranging for the filing of peace bonds which will be secured at once.

Howat and Dorchy have already served over four months of a six months' jail sentence, imposed when they refused to file peace bonds of \$2,000 following their conviction in district court for violation of the Kansas Industrial law. The bonds were required as a guarantee they would obey the anti-strike law of Kansas pending appeal of their conviction.

HELD UP BY EIGHT BANDITS

DUBLIN, Jan. 27.—Eight armed bandits held up the Thomas Street branch of the Hibernian bank and escaped with \$5,000.

The Persians have a different name for each day of the month.

They Lease Railroad

William G. Aber (upper) and E. E. Jaycox will operate the Path & Hammondsport railroad in New York state. The road is nine miles long and has one locomotive, two passenger cars, (one having freight space). Jaycox is the conductor. The Erie railroad which operated the road formerly did a good business until the automobile came and the wine industry went.

John McGraw Ranks As Highest Salaried Leader in Baseball

By JACK VEIOICK.

Written for International News Service
NEW YORK, Jan. 27.—Under his new five-year contract, as manager and vice president of the Giants, John J. McGraw today takes rank as the highest salaried and most successful leader baseball has ever known.

The financial terms of the contract were not made public when President Charles A. Stoneham announced that McGraw had signed but it is known that his contract calls for a salary of \$65,000 a year or a total of \$325,000 for the five years.

McGraw, as a stockholder in the Giants, will receive a share of the club's profits and if the team is as successful under his management during the next five years as it has been in the past he stands to clean up a cool million before his contract expires.

With a world's championship team to start the 1922 season, bolstered by the addition of Heinie Groh at third base, McGraw will commence his 21st year as manager of the New York Nationals, with the brightest of prospects.

The signing of his contract dispels rumors that he was about to retire from the active management of the New York club.

FORD CONTRACT PREPARED

WASHINGTON, D. C., Jan. 27.—The contract covering the leasing by Henry Ford of the government's nitrate plants and water power project at Muscle Shoals, Ala., has been finally approved by Ford's engineers and went forward to Detroit by mail Tuesday, according to an announcement by Secretary of War Weeks.

Weeks expects that the contract will be signed by Ford and returned to the war department before the end of the week, after which it will be submitted promptly to Congress.

FOR HELP OF FARMERS

WASHINGTON, D. C., Jan. 27.—Establishment of a nation-wide federal agency for the distribution and sale of farm products was proposed in a bill introduced in the Senate by Senator McCumber, Republican, North Dakota. McCumber urged its passage as a means of "saving the agricultural interests from utter ruin." The bill is a substitute for the Capper co-operative farm marketing measure, supported by the senatorial "farm bloc."

CABINET DISCUSSES SUGAR

WASHINGTON, D. C., Jan. 27.—The sugar situation in the United States and Cuba was discussed by President Harding's cabinet, efforts being made to agree on a plan of government action which would not destroy the industry in Cuba and at the same time would not injure the sugar industry in this country.

Members of the cabinet agreed, it was stated officially, at the close of the meeting that limits should be placed on the exporting of sugar from Cuba, and that changes should be effected in the American sugar tariff.

HARDING SUPPORTS ARMY

WASHINGTON, D. C., Jan. 27.—President Harding is staunchly opposed to any drastic reduction in the size of the American army of 150,000 men at this time, it was officially stated at the White House. President Harding feels, it was said, that the American army already has been cut down to reasonable limits and that if the nations of Europe would cut their establishments commensurately it would be "a world blessing."

Eggs found in the trunk of a large elm while being cut into planks are estimated to have been laying there about a century.

NATION'S RAILROADS ARE NEAR CRISIS, LEADER CLAIMS

One of 'Big Five' Gives Views
on Some of Problems Now
Confronting Officials

By JAMES L. KILGALLEN
By International News Service
CHICAGO, Jan. 27.—Pre-war regional conferences between railroad and union officials as a means of averting labor crises are foredoomed to failure, T. C. Cashen, international president of the Switchmen's Union of North America, one of the "big five" declared in an exclusive interview today.

"It is simply turning the clock back and I don't believe it will work," he asserted.

Mr. Cashen is here attending a meeting of the railroad brotherhoods bearing upon future policies. The regional conference idea was recently suggested by Secretary of Commerce Hoover and accepted with reservations by the railroad executives of the country in session here last Saturday night.

"There is a certain advantage in doing business direct with the railroads," said Mr. Cashen. "But to go back to the old way, regionally or by districts, is impossible."

Board Still Exists
"What about the United States railway labor board? It still exists, it presumably is settling the issues, the real issues, I mean."

"It would be the height of folly for any class of employees to negotiate wage and working conditions without keeping the fact of the board's existence in mind. It is the railroad's plan to keep on cutting wages, to negotiate with that end in view. So, disputes are certain to arise and it is a foregone conclusion that the whole thing would wind up in a national affair."

"The issues wouldn't stay regional. It would be finally up to the labor board."

The railroads made a great mistake, according to Mr. Cashen, when they refused to participate in a national board of adjustment, as advocated by the union organizations shortly after the creation of the labor board. An adjustment board, he said, would have relieved the labor board of a tremendous amount of detail. The roads were against it, however, on the ground that it would perpetuate national agreements.

Railroads Face Crisis
Asked what he saw just ahead in the railroad situation, Mr. Cashen said: "Indications are that the railroads are facing a crisis. The railroads are largely overcapitalized. It is inevitable that there must be a day of reckoning. Whether the stockholders of railroad securities want it or not they have got to some day use the wringer. The interstate commerce commission is trying to gauge a 5 1/2 per cent earning power for the railroads on a valuation of \$18,000,000,000, when, as a matter of fact, the railroads of the country could be purchased for \$12,000,000,000."

The railroad employee cannot afford to accept another wage cut, he said. The cost of living has not come down in proportion to the wage reduction he has already accepted, Mr. Cashen contended. Even some of the union leaders, notably W. G. Lee, has been "blinded by this propaganda," he said. "We characterized the charge that railroad employees as a class were high paid as political propaganda directed at McAdoo and that nobody with common sense believes it."

He smilingly remarked that he "had heard a rumor" that "quite a few railroad executives were drawing some pretty healthy salaries."

FARM CREDITS APPROVED

WASHINGTON, D. C., Jan. 27.—Government farm credits amounting to \$6,730,000 for agricultural livestock purposes largely for western and southwestern states were approved by the war finance corporation. The corporation's total loans for the week ending January 21, it was announced amounted to \$12,668,000. The largest group of loans among those approved were for interests in Texas which alone aggregated \$1,231,000.

Mary Garden Talks About Men and She Asserts They're Cats!

By MILDRED MORRIS
International News Service Staff
Correspondent.

NEW YORK, Jan. 27.—"Oh these men!" said Mary Garden today. "They are cats."

And Mary, the lovely, having arranged her becoming wine-red sports hat at a more coquettish angle, delivered herself of the further opinion that Muratore, the famous French tenor, was no "gentleman."

It was Muratore who recently announced his exit from the Chicago Grand Opera company at the end of the present season because of Mary's temperament.

Mary, recalling his remarks that women were unfit by temperament or temper to run an opera company or anything else, said it was to laugh. "These men are the cats, not the women," said Mary, waving her swagger stick by way of emphasis. "All my troubles in my company have been with the men—the women are peaceful."

"What is wrong with the men? Too emotional?"

"No," said Mary firmly, "men have no emotions. They are jealous. They are petty, these men."

It was suggested that for the sake of peace she might be planning the feminization of grand opera and introduce a novelty in the form of an all-women cast.

Mary threw up her hands in horror. "Good heavens!" she cried. "That would make for peace, you think? Good heavens!"

Making additional comment on Muratore, the prima donna-manager, said:

"It was not gentlemanly for him to attack a woman. It was not only bad taste but cruel. What I really think of him I would not say."

"No," added Mary laughing, "I would not say it—I'm a lady."

"He says he will leave us. So? He has a \$2800 contract and \$2800 contracts are not to be picked up in the streets."

Duck Likes Jewelry; It's No Nature Fake

DETROIT—The story of the hen that laid the golden egg has its equal in a true story of a domesticated duck that swallowed a valuable diamond earring, as reported by Attorney Christopher H. Stein, former judge of the municipal court. The following story is vouched for by Mr. Stein:

More than a year and a half ago Mrs. Minnie Neuman, living on Canton Road, west of Wayne, lost a \$500 diamond earring while she was feeding the barnyard fowl. Repeated searching failed to restore the stone. From time to time Mrs. Neuman sold ducks from their flock of one hundred or more. Mrs. Augustus Nicklas, sister of Mrs. Stein, purchased three ducks from Mrs. Neuman for New Year's dinner.

In opening the craw of one of the birds the long-lost diamond fell out. The stone, in perfect condition, was restored to its former owner.

TO CONFER ON POLICY

WASHINGTON, D. C., Jan. 27.—Attorney-General Daugherty announced he was planning to hold a series of conferences with Secretary of Commerce Hoover and Secretary of Agriculture Wallace before determining upon the policy of the government in the matter of modifying the decree affecting the transportation of perishable fruits from California to the east.

The "Big Five" packers have requested that the decree be modified, contending that the use of their refrigerator cars to transport the fruit will enable them to get it to consumers at a lower cost than at present. Exhaustive hearings on the subject have already been held by the department of justice.

BUILDS CLOCK OF WOOD

PEORIA, Ill.—Louis Hoyden, an Austrian, after two years of ceaseless toil has constructed a large wooden clock, made from more than one thousand small pieces of wood. Hoyden says the clock, which needs winding but once a year, will register seconds, minutes, the day and date. It has seven movements, seventy-two gears and an eight-foot pendulum.

Rickenbacker Favors Cancelling War Debts

COLUMBUS, Ohio—"No one can live in the house with a corpse, and that is what we are doing," declared Captain Eddie Rickenbacker, American ace of aces, addressing members of the Kiwanis club here. Discussing the topic "Common Sense in Business," Captain Rickenbacker urged cancellation of both the Allied and the German debt.

"The Germans, regardless of their bloody past, have the same right to live that we have and, as long as they are on earth and are making the effort to rehabilitate themselves, we should, as Americans, see that they have a square chance at it," continued Captain Rickenbacker.

"They are industrious and will help greatly in rebuilding the world if but given a chance."

"The present generation has the greatest opportunity of all time to make this a decent world in which to live and the chance is now open for them to place the United States on a pedestal so high that any attempt to bring us down will prove futile."

"Statesmanship is the power to see where God Almighty is going and then going ahead and removing the stones from his path. That now is our privilege."

'Communist' Student Expelled by Oxford

LONDON—"Me and Shelley!" cried the editor of the Free Oxford, a communist publication, as he was expelled from Oxford university on account of his radical views. The poet, Shelley, was expelled by the authorities of Oxford over a century ago for writing a pamphlet expounding atheism. Since that time every undergraduate that has gotten into trouble with the Chancellor or the Vice-Chancellor of the university has persuaded himself that he is a persecuted genius. An editorial article in a recent number of Free Oxford gave the bourgeoisie the choice of accepting communist doctrines or being exterminated by the revolt of the proletariat.

IT'S REGULAR TOWN NOW

GRAFTON, O.—For the first time in the history of this village all of the Big Four trains are making this station a stop, even the fast through limited fliers. The stop here of all trains is being made because of the installation of an electric block system.

Dingy Street Used As Diamond Market; Very Select Society

LONDON—There is a dingy, smoke-ridden street in London, passed unnoticed by thousands of Londoners, yet it is the richest open-air market in London. In Hatton Garden precious gems are bought and sold with the free and easy air of a coster-monger selling bananas, who by the way sells his fruit in the same street with far more ostentation than does the jewel broker when he disposes of his priceless atoms. There is no stall in this market. In cafes, doorways or in the streets are the bargains struck. One man will produce a tiny morsel wrapped in tissue paper. Its contents may be worth thousands of dollars. The prospective buyer adjusts his optical glasses and tips the precious bundle into the palm of his hand and minutely examines the contents. Then the bargaining begins, and the gems, carefully wrapped again, either change hands or are thrust back again into a spare wastecot pocket. Although the deals made incur several thousands of dollars, the profits as a rule are very small. The dealers know the game from A to Z. But it is not a market where the ordinary public can pick bargains.

Let the enthusiastic amateur attempt to buy in this very ordinary looking street and he is asking for trouble and will get it. There are many crooks awaiting him. The established dealer knows the crook and the crook knows the dealer and lets him severely alone. They are a very small but a very select society in Hatton Garden. Although diamonds and other precious stones are handled in the broad daylight it is seldom that any of the stones are lost. A few years ago, however, two dealers were arguing over some diamonds outside a public house and the stones slipped from their hands and fell through the grating into the coal cellar of the saloon keeper. The diamond owner promptly bought from the saloon keeper the whole of his stock of coal at an inflated price and then had it carefully sifted and the diamonds were recovered. That is the only occasion on which there is record of any diamonds having been lost and this has been the center of the diamond market of Great Britain for the last 200 years.

DIE IN AUTO ACCIDENTS

PORTLAND, Ore.—The total number of deaths on the streets of Portland due to automobile accidents during the year 1921 was thirty-one, according to police reports.

Fourteen hundred and ten persons were injured in 13,161 accidents in the last year. In connection with the accidents there were 12,413 arrests.

The planet Venus moves around the sun at an average speed of twenty-two miles a second.

Damage Suit Results Over Bottle of Booze

SCRANTON, Pa.—An unusual suit for damages as a result of the enactment of the prohibition law was filed in federal court here by Mrs. Irene Dauberman of Lewisburg, Pa. Her suit is against the defendant.

Mrs. Dauberman charges that last August her husband, Clarence Dauberman, purchased a quart of whiskey from the wife of the defendant, and then lost control of his reason and shot Sheriff Renner of Lewisburg, in the wrist, and John P. Tegmeyer in the chest. Dauberman was later convicted and sentenced to six years in the penitentiary on charges of assault with intent to kill.

Mrs. Dauberman asks for \$30,000 damages from Szutowicz because of the humiliation and disgrace brought upon her and for being deprived of the society and financial support of her husband.

INDIAN OFFICER IS KILLED

LONDON, Jan. 27.—An officer of the Indian army was shot during an outbreak of disorder at Cairo, Egypt, said a dispatch from that city to the Daily News today.

Glendale's OWN Cemetery

The People of Glendale and the San Fernando Valley Are Taking a Great Interest in

Grand View Memorial Park

GLENDALE'S ONLY MODERN, PERPETUAL CARE BURIAL PARK

There is no cemetery in Southern California so ideally located, so gloriously wooded, so tenderly cared for or more dear to the hearts of the people of this valley than beautiful Grand View Memorial Park. New Chapel just completed. Plans for new Mausoleum now being prepared. Every lot is high and dry—perfectly drained.

It is to your interest to see the lots in Grand View Memorial Park—and compare the prices we ask with the prices of other cemeteries.

Terms made to suit the convenience of purchasers of lots. Here you will find every service and consideration which should merit your investigation. Our private car is at your service without charge when you wish to visit the grounds.

THRIFT

"Save young man, and become respectable and respected. It is the surest way."—Benjamin Franklin

This maxim from the mind of one of America's greatest thinkers should strike home with the young men of Glendale. Our most successful business men heeded it in their youth and are happy for having done so. They practiced Thrift without personal inconvenience and the dollars they thus saved proved the foundations for their present fortunes.

Thus if the future and its possibilities mean anything to you, young man, it would be best that you heed Franklin's good advice.

PREVENTS CARBON

—You have more or less carbon trouble from the fuel you are using these days. A great deal of your carbon trouble is due to improper firing of your mixture. The ordinary faint, slow spark explodes only a part of your mixture, leaving unfired a portion which accumulates as carbon.

—But, with the Lynamite spark, it is vastly different. The Vacuum Transformer Chamber protects you against carbon by developing such a strong, big, quick-firing spark that ALL of your mixture is instantly exploded. The Lynamite spark is so powerful that it will fire right through soot and oil. Keep your carburetor in good order, use Lynamite Plugs, and your carbon troubles are ended, even though you have to use a poor grade of fuel.

SCHOOL HEAD GIVES SOME OF RULES FOR NEW TERM

Supt. White Announces the
Requirements; Orders About
Transfers Made Plain

"It is very important that every child should enter school on the first day and be regular and punctual in attendance," remarked Richardson D. White, superintendent of schools, recently announcing the opening of the second term of school, Monday, February 6.

"Nearly all of the schools in the city are in a very crowded condition," continued Mr. White, "and many adjustments will have to be made, no doubt, by transferring children from one school to another."

"Under these conditions it will be impossible to grant permits to attend school in a district other than that of residence with the same freedom as heretofore. Parents desiring such permits should apply at the superintendent's office during the week before the term opens. However, no permits will be issued until the second day of the school term at which time it will be possible to determine conditions."

Send Them Anyway

"Even though they have applied for a permit, parents are requested to send their children for the first two days of the term to the school in whose district they reside. Permits already issued are good for the rest of the school year."

"The legal age for entering school is 6 years. However, an allowance of three months is made. This means that in order to enter the first grade a child would have to be six on or before May 6, 1922. No beginner will be admitted after the close of the first month of the term."

"Kindergartens will be opened at the Columbus, Colorado, Broadway, Cerritos, Pacific, Central and Doran schools."

Law About Ages

"The law states the kindergarten ages to be from 4½ to 6 years. This law is interpreted to mean that the child will have to be 4 years and 3 months of age before the opening of the term. Any child, who is 6 years old or older on the day the term begins, will not be admitted to the kindergarten."

"Parents are advised to send their children to kindergarten until they are at least 4 years and 9 months old. We have a kindergarten course of only one year. If a child finishes that before he has attained the school age, he will either have to drop out for a half year or take the same work over again in the kindergarten. A child of 5 will get much more out of the kindergarten than a child of 4½ years."

R. R. Commission to Probe Electric Rates

SAN FRANCISCO, Jan. 27.—The railroad commission on its electric motion has initiated an investigation into the reasonableness of the rates for electric service of the Southern California Edison company. In the order calling for the inquiry, the commission states that it appears, due to changes in economic conditions, that the rates made effective April 20, last, will result in a greater net return than found reasonable at the time they were fixed and will prove a burden to certain classes of consumers.

Referring to the fact that the company recently offered a reduction of approximately ten per cent in its lighting rates, the order states that it appears advisable that the commission should determine to what extent and in what manner the entire rate schedules should be reduced or modified.

Hearing on the investigation was set before Commissioner Stanley Benedict at Los Angeles, beginning February 27, at 10 a. m.

DISCUSS FUNDING BILL

WASHINGTON, D. C., Jan. 27.—Consideration in the Senate of the foreign debt funding bill was begun as the first move toward carrying out the administration's program of linking the soldiers' bonus with the \$11,000,000,000 foreign indebtedness to the United States.

Debate on the foreign debt funding bill is expected to last all week, but the administration spokesman said there is no longer any serious objection entertained by the administration to the questions involved by the foreign debt being discussed by the Senate while the armament conference is still in session here.

WILL NOT QUIT SIBERIA

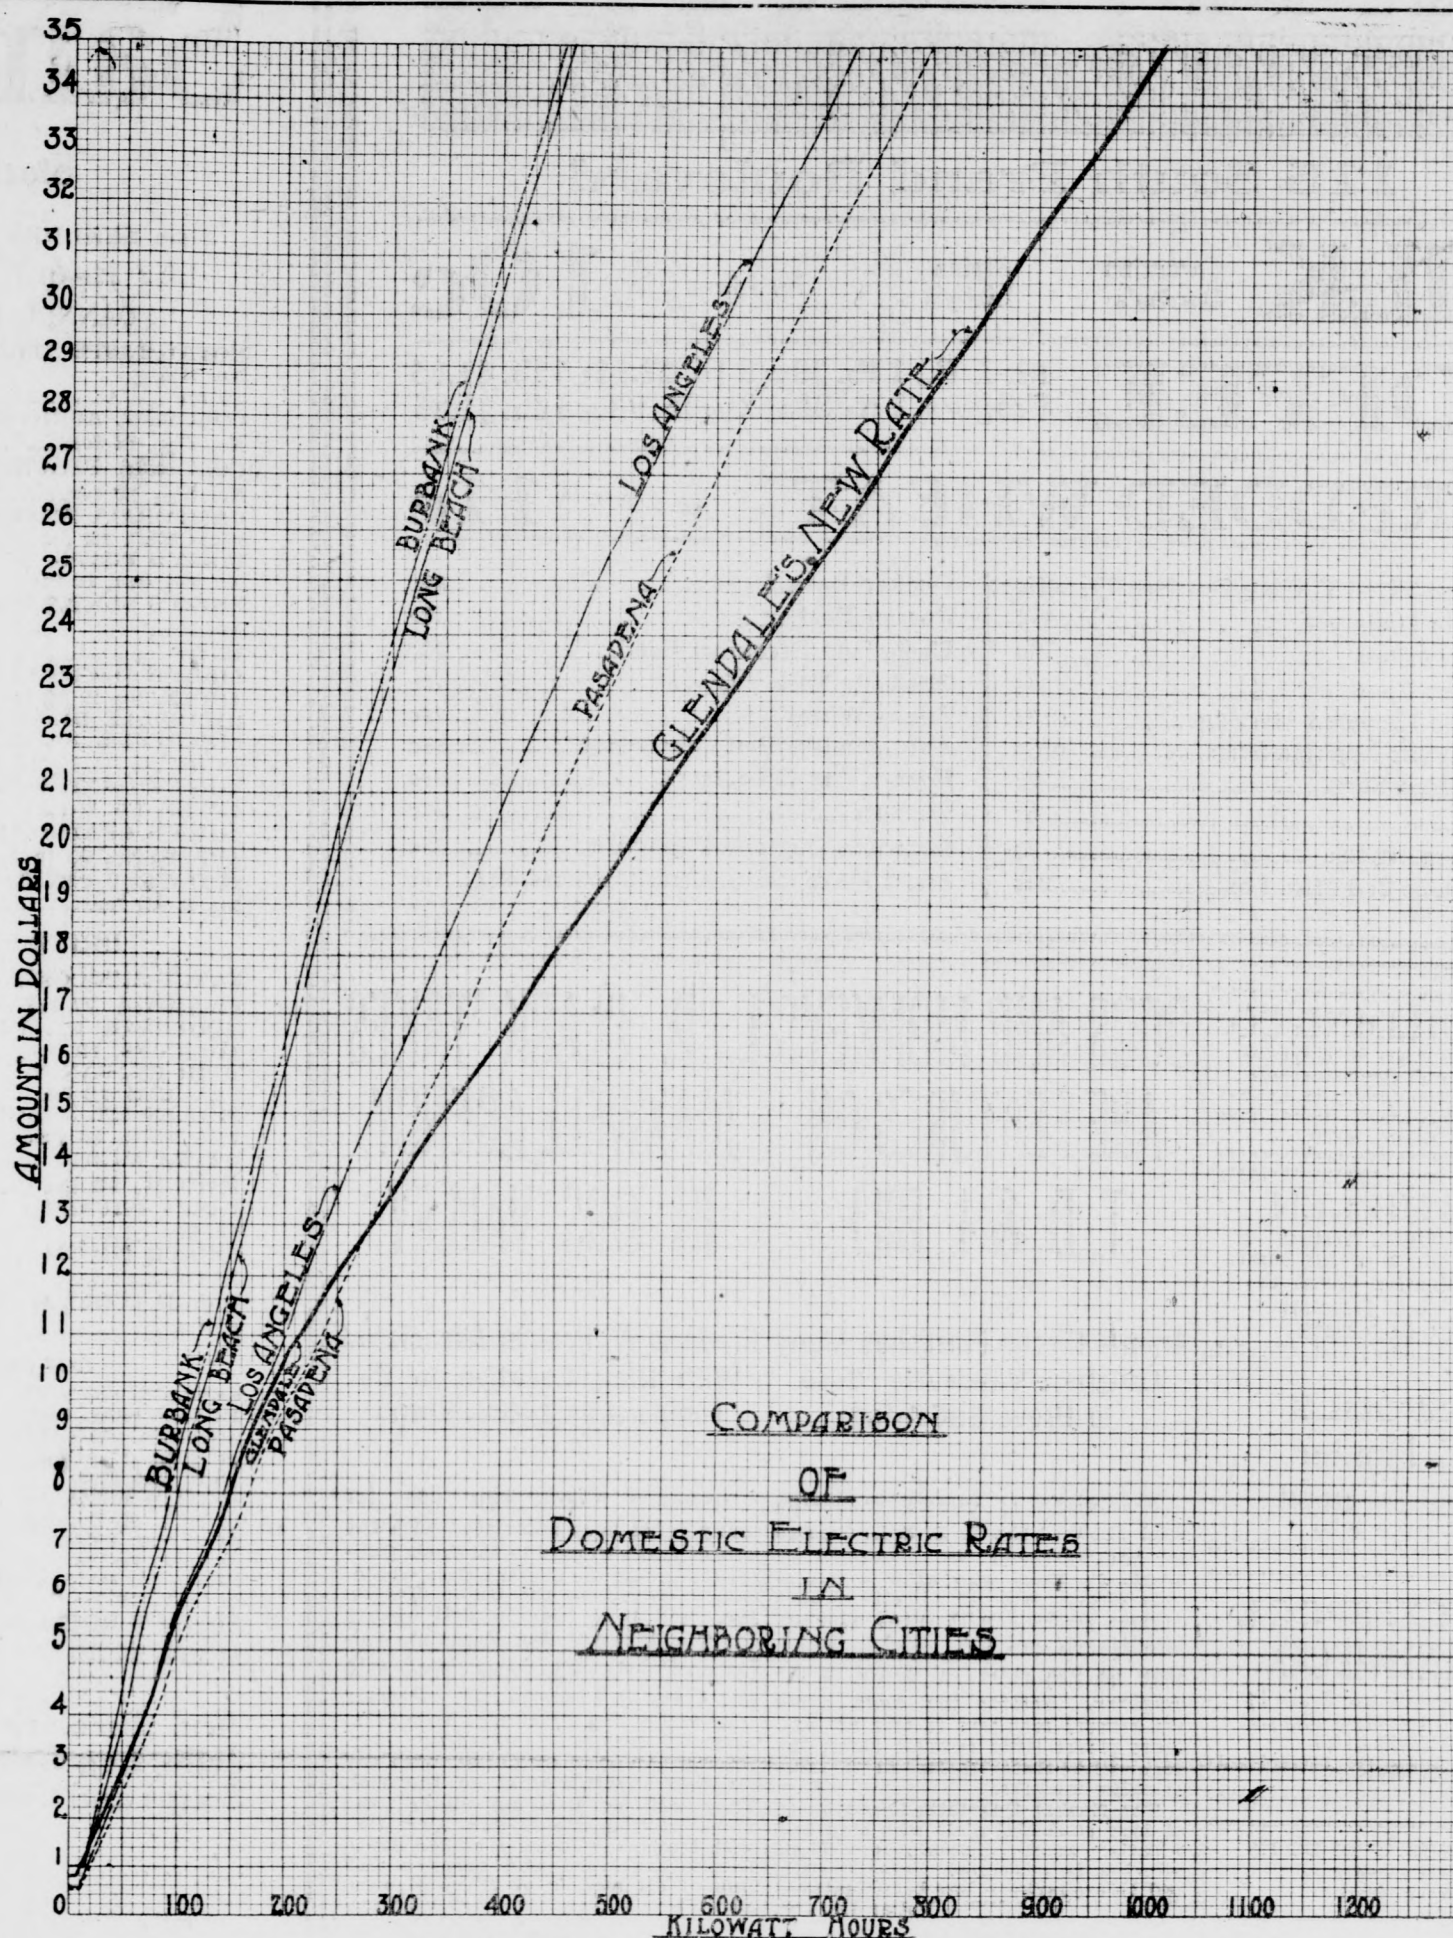

WASHINGTON, D. C., Jan. 27.—Japan officially served notice upon the powers of the Washington conference that she will not withdraw her troops from Siberia for the present.

The Japanese position was outlined in a statement made to the full Far East committee, detailing the conditions that prevail in Siberia. The Japanese assured the conference that they wanted to get out of Siberia, but conditions were such that Japanese life and property would be endangered should they do so. The statement concluded with the promise that the withdrawal would be accomplished at the earliest possible moment. However, no date, tentative or otherwise was fixed.

GET \$10,000 IN JEWELRY

SAN FRANCISCO, Jan. 27.—Albert Samuels company, Market street jewelers, reported to police that robbers had cut the glass of their display window last night and secured pearls and other jewelry valued at \$10,000.

Local Electric Rates Lower Than Other Cities, Chart Shows

(Published At The Request Of Glendale Municipal Authorities)

Some time ago, by the direction of the City Council, a chart of the water rates of various cities in Southern California, including Glendale and Los Angeles, was published in the local papers. This chart showed Glendale's water rates to be very much lower than those of any neighboring city. The chart herewith has been prepared in a similar manner to show the lighting rates now in force in the most important cities of Southern California. Glendale citizens will note with pride that her municipal lighting rates are far the lowest of all the cities shown,

just as its water rates are. Indicating, as it does, the efficiency and economy of the management of the municipal utilities, this is a source of pride and gratification to the city officials and to the tax-payers in general. On account of the unparalleled growth of Glendale, it has been a tremendous task to install the necessary water mains, lighting poles and other equipment, but, notwithstanding this handicap, it is the firm purpose and intention of the City Council to keep the municipal light and water rates as low or lower than any of the neighboring cities, city officials declare.

CHANGE HARVESTER TRUST

WASHINGTON, D. C., Jan. 27.—An attack on the International Harvester company as a "combination repugnant to the anti-trust laws" was opened in the Senate by Senator Norris, Republican, of Nebraska, with the object in view of forcing the government to take some remedial action.

Norris introduced a resolution calling upon Attorney General Daugherty to furnish the Senate with information as to what the department of justice is doing "to effectively restore competitive conditions between the various corporations comprising the International Harvester company."

WANTED TO LOOK 'CHIC'

TROY—The shopping instinct of the eternal feminine was given a new twist here. Mildred Parker, of Albany, detained in jail as a material witness in an assault case, decided she wanted to go shopping.

Miss Parker has been in jail 163 days. She wanted to "look her best" at the trial which is scheduled for this month, so she asked Judge Russell to give her compensation which she is entitled to as a detained witness. She got \$125. Accompanied by a matron and a deputy sheriff she went on her shopping tour.

RED PEPPERS

STOP PAIN OF RHEUMATISM

When you are suffering with rheumatism so you can hardly get around just try Red Pepper Rub and you will have the quickest relief known. Nothing has such concentrated, penetrating heat as red peppers. Instant relief. Just as soon as you apply Red Pepper Rub you feel the tingling heat. In three minutes it warms the sore spot through and through. Frees the blood circulation, breaks up the congestion—and the old rheumatism torture is gone.

Rowles Red Pepper Rub, made from red peppers, costs little at any drug store. Get a jar at once. Use it for lumbago, neuritis, backache, stiff neck, sore muscles, colds in the chest. Almost instant relief awaits you. Be sure to get the genuine, with the name Rowles on each package.—Advertisement.

DOGS AND MONKEYS L. P. CLARK TAKES ARE FEATURES ON T. D. & L. BILL MAXWELL AGENCY IN THIS VALLEY

Animal Circus Furnishes Many
Laughs; Vaudeville Sure
to Prove Satisfying

Maklejohn & Dunn's vaudeville
road show at the T. D. & L. theatre
for the week-end is headlined by
Wolford's Dogs who offer a mini-
ature circus all in itself. These
canines perform with most uncanny
intelligence and the tricks which
they do are sure to cause much
laughter. Besides the dogs there
are several monkeys in this act and
these clever little animals assist the
dogs with their stunts in a most
amusing manner.

The Becker Quartette is composed
of four beautiful girls who sing and
whistle most charmingly. Their
offering is costumed very prettily
and this quartette has been featured
at Grauman's Million Dollar theatre.

Magician and Comedian
That tricky trickster, Harry Gold-
man, is a magician who is also a
comedian. He keeps his audience in
an uproar from the minute he steps
upon the stage until he leaves it.

Mention should be made of the
novel act which Harold Crenyon and
his six dolls are presenting. Mr.
Crenyon is a ventriloquist of ability
and he holds the record for rapid
changes of voice, keeping the six
dolls in a rapid fire conversation all
during his act.

The photoplay which will be
shown in conjunction with the van-
derbilt is "Pilgrims of the Night"
which is a lavishly produced mystery
drama in which will be found many
moments of interest.

MAN WITHOUT COUNTRY

WASHINGTON, D. C., Jan. 27.—
A man without a country—of which
country he is the ambassador to the
United States—came in for a dozen
paraphrases of more or less un-
friendly bandying in the Senate when
Senator Borah, demanded to know
why the name of Boris Bakmeteff
is listed in the Congressional direc-
tory and in the White House recep-
tion list as the ambassador from
Russia.

Borah remarked, with a pinch of
acerbity in his tone, that the use of
Bakmeteff's name in an official
White House guest list precluded any
mistake as to what kind of a Russian
White House function. Bakmeteff is
an active relic of the Kerensky regime
in Russia, which received American
recognition.

DEMANDS JURY INQUIRY

OAKLAND, Cal., Jan. 27.—City
Commissioner W. H. Edwards today
demanded a grand jury investigation
of the circumstances surrounding the
granting and cancellation of the
lease of the six-minute ferry com-
pany to operate a line of ferries be-
tween San Francisco and Oakland.
The action of Edwards followed pub-
lication of the news that Mayor
James Rolph of San Francisco had
obtained the controlling interest in
the ferry company.

The six-minute ferry company
lease in Oakland was terminated by
action of the Oakland city council
several months ago. The Oakland
city council has so far failed to act on
Councilman Edwards' demand.

Frederic W. Procter Associated
With Him; Location to Be
Temporarily 246 S. Brand

Lyman P. Clark, who has for
many years been associated with the
sale of Maxwell cars in southern Cali-
fornia and at the present time whole-
sale manager for the Union Motors,
Inc., will take the Maxwell agency
for Glendale and San Fernando val-
ley on February 1. Associated with
Mr. Clark is Frederic W. Procter
formerly of the Grace Motor Car Co.,
Maxwell dealers in Pasadena. Mr.
Procter was also connected with the
Maxwell organization in the east.
They will do business under the
name of Glendale Motor Car Co.,
with temporary location at 246 South
Brand boulevard and carry a full
line of all models of Maxwell cars,
as well as a complete stock of parts.

Many Friends Here
Mr. Clark has a host of friends in
Glendale who will be pleased to
know that he is going to take up his
residence here. He says:

"The Glendale Motor Car Co., are
fortunate in obtaining the Maxwell
line at this time when the Maxwell
is having such wonderful sales all
over the country. The new Maxwell
has proved to be the biggest sensa-
tion in the automobile world."

BRITISH SHIPPING AROUSED

LONDON, Jan. 27.—"It is an af-
front to the heart of England and an
indirect underhand plot against Brit-
ish shipping," declared Sir Edward
MacKay Edgar, director of the great
shipbuilding firm of Workman &
Clarke, in commenting today upon
the Washington report of the Har-
ding-Lasker plan for an American
shipping subsidy. "No news could
be worse from an international view-
point," said Sir Edward. "It is es-
pecially disagreeable at this time
when shipping is undergoing such
hard times."

"What is the use of President
Harding initiating conferences di-
rected toward fostering of good-will
when simultaneously he tries to stab
Britain—in the back. Shipping is England's basic
industry. It is her commercial life."

MAY SOLVE BIG ROBBERY

NEW YORK, Jan. 27.—With the
arrest of Henry Morris, postoffice
inspectors expressed the belief that
they have opened the way toward
solution of the mysterious robbery
of a mail pouch containing \$1,447,-
000 in government bonds. Morris is
alleged to have been the master mind
in the conspiracy which culminated
in the disappearance of a mail pouch
on July 18 last, while it was en route
from this city to the treasury depart-
ment in Washington. Five other ar-
rests have been made in connection
with the robbery.

According to Inspector Moran,
Morris formed the plot to steal the
pouch, directed the theft and took
charge of the loot. Morris is also
alleged to have distributed the
stolen bonds to various persons to
dispose, after having removed by a
chemical process cancellation marks
on some of the bonds.

PLANS FOR IRISH ARMY

DUBLIN, Jan. 27.—Although the
Irish Free State is not yet in official
being, the minister of defense in the
Irish provisional government, Rich-
ard Mulcahy, is making plans for a
powerful standing army. It was
learned today that contracts have
been let for 30,000 service rifles and
adequate ammunition. Orders have
been placed in Irish mills for 200,-
000 yards of field green cloth for uni-
forms. Other equipment is being
purchased to give absolute efficiency
to the army.

SHIPPING BOARD CUTS PAY

WASHINGTON, D. C., Jan. 27.—
The shipping board emergency fleet
corporation has announced a reduc-
tion of 15 per cent in the wages of
deck officers and crews of all its ves-
sels. The reduction will become ef-
fective February 6 and will continue
until June 30, 1922.

Estimates made by shipping board
officials showed that the reduction
would be approximately 15 per cent
for deck officers, engineers, radio
operators and firemen, and would
range up to 25 per cent for deck-
hands, members of crews and other
employees.

Infuse into your faith forcefulness.

WILL MARRY, HE SAYS

LIVERPOOL, Jan. 27.—Acord-
ing to Allister McCormick, of Chi-
cago, the bride's father, Alfred
Baker, will not be present when
young Mr. McCormick is married to
Miss Mary Baker at Weybridge in
the spring. McCormick arrived from
New York on the liner Baltic.

"Our postponed marriage will take
place at Weybridge early in the
spring, but the exact date has not
yet been fixed," said he. "Miss
Baker, my fiancée, is now at Santa
Barbara, Cal. She will arrive in Eu-
rope the middle of March and the
wedding will take place in two or
three months. Rumors that the wed-
ding will never take place are false."

ROBINSON CRUSOE'S RIVAL TO PUSH BONUS PLANS

SAN FRANCISCO, Jan. 27.—A
tale rivaling Robinson Crusoe came
out of the wide stretches of the Pa-
cific today when Mrs. Idelle Meng
arrived on the liner Manoa en route
to Texas to rest after her experiences.
With her husband and his partner,
Edward Benner, Mrs. Meng was mar-
ooned for fifteen months on a little
island 1,000 miles south of Honolulu.

The Mengs and Benner went there to
establish plantations and a supply
ship was to have come six months
later. It went down and fifteen
months elapsed before a naval ves-
sel rescued them. Their clothing
was in tatters and their food supply
exhausted when relief arrived.

WASHINGTON, D. C., Jan. 27.—

Despite the renewed opposition of
Secretary Mellon to a soldiers' bonus,
it was agreed at a joint meeting of
the Republican steering committee of
the Senate and House to push ahead
the Republican plan for adjusted
compensation for ex-service men
with all possible speed.

Republican leaders who took part
in the meeting indicated that the ob-
jections raised by Mellon to the uti-
lization of either principal or interest
of the foreign debt to finance a sol-
diers' bonus would be ignored.

The hearts of sedentary workers
are apt to become soft and flabby.

National Guards Plan for Washington Ball

Plans for a George Washington ball were made last night at the weekly drill of the Fifth Separate Company, National Guards, of Glendale. Hopes were extended that the encampment this summer will be held at Camp Lewis, American Lake, Wash.

The boys are eagerly awaiting the semi-annual payroll and it was stated that their money should be in by the first of the month. Considerable red tape attaches itself to the federal reimbursement for the nationalized state troops.

H. A. Brown Here to Enter Business

H. A. Brown and family arrived in Glendale yesterday from San Diego to engage in the men's furnishing business with Harry J. Syms at 148 South Brand boulevard in the Glendale Shops building. Mr. Brown has had a wide experience in this line while Mr. Syms comes from Redondo Beach, where he has been in business. He was formerly a master printer at Boise, Idaho.

Farming was the occupation of half the population of France before the war.

CIVIL AVIATION BUREAU TAG DAY IS POSTPONED

WASHINGTON, D. C., Jan. 27.—The second step towards the creation of a bureau of civil aviation under the department of commerce was accomplished when the bill providing for it was reported favorably by the senate commerce committee. The bill would establish a commission of civil aviation at the head of the proposed bureau and it would lay down rules for the regulation and development of civil aviation.

Elderly women who find their former modes of earning a living gone are now qualifying as "lady cooks" and repairers of clothing for business women in Germany.

FAMOUS ACTOR IN 'RIP VAN WINKLE' PROVES DELIGHT

Thomas Jefferson Appears in Old Masterpiece for Last Times Today, Glendale

Old, yet ever new, the story of "Rip Van Winkle," which is so skillfully portrayed in pictures with Thomas Jefferson in the stellar role at the Glendale Theatre today for the last times, has passed muster for five generations. Briefly, it follows: In a little village in the Catskills lived Rip Van Winkle, his wife Gretchen and little daughter Meenie. He was shiftless, though infinitely lovable. Derick Von Beekman had been advancing him money, but found all his money was lost unless he trapped Rip and had him sign a new note. However, fate intervened for that very day Dame Van Winkle, in desperation, drove Rip from home. He shuffled away and was surprised to observe a tiny gnome staggering up the mountain side beneath the weight of a keg. Rip shouldered the load and finally they came to a green where the gnomes were bowling.

Given Mysterious Brew One of them handed a flagon of the mysterious brew to Rip and after a long draught a strange weakness crept over him and he fell asleep. Years rolled by. Dame Van Winkle had given up hope of her husband's return and married Von Beekman. Meenie had plighted her troth to Hendrick Vedder, who had gone to sea. News was received of the latter's death, according to the stopper, who ordered the girl's marriage to his deformed nephew, Cockles. Then down the main street of the village came a tattered, bearded figure. The crowd halted at his heels, and one loofer gave him a shove that sent him sprawling. A youngster fought his way through the mob and taking the stranger to the tavern made it clear that it was Rip Van Winkle. The brawny stripling was none other than Hendrick Vedder and together they made their way to Von Beekman's where the latter was proved a liar and everything ended happily. You will want to see this masterpiece.

Council Minutes

(Continued from Page 4)
pany, was deferred one week.
On motion of Councilman Stephenson, the city manager was instructed to notify all contractors for Street Improvement for the City of Glendale that they shall furnish, upon request, certified statement of their financial condition.

Opening Los Angeles Street
On motion, the city attorney was instructed to draft a resolution authorizing proceedings for the opening of Los Angeles street, 150 feet north of Park avenue. Roll call, all voting aye.

To Discuss Sewage Question
On motion of Councilman Kimlin, the city clerk was instructed to notify (first) members of sewage committee, (second) directors of the Chamber of Commerce, including secretary, (third) civic committee (Chamber of Commerce), (fourth) Koebig & Koebig (engineers), of a meeting to be held Wednesday evening, February 1, 1922, at 7:30 o'clock, for the purpose of discussing the sewage question.

Apartments in Finest Location in City,
Corner of Wilson and Glendale Avenues,
Good Income Property on the Market

ONE of the most remarkable realty offerings today is the announcement that the two apartment houses on the northeast corner of Glendale and Wilson avenues are for sale. With 200 feet frontage on Wilson avenue and a depth of almost equal proportion on Glendale avenue, they offer one of the best sites for the future with a profit today—both houses being furnished and operating with an income of about \$500 a month.

Investigate This Property

There are lots of fruit trees, a beautiful view of eastern Glendale and mountains, three streetcar lines and two prominent thoroughfares as inducements for people to live there. The apartments are within a block of the new \$350,000 Glendale Tourist hotel, banks, stores, city hall, etc.

Some cash and terms on the balance, according to the owner, who is anxious to sell either one or both at this time. Wise investors will avail themselves of the opportunity of investigating this property by calling at 735 East Wilson avenue.—Advertisement.

**F. L. Rawson of
London Will Talk
in C. of C. Hall**

F. L. RAWSON
Of London, Eng., who will give a lecture in the Chamber of Commerce auditorium Saturday night. Mr. Rawson is the author of about twenty books.

He's 71 years old. He looks about 50, and dances like a youth of 35. He eats perhaps as much in three or four days as the average person gets away with in one. He sleeps from one to two hours—never more—a night.

That's a thumbnail sketch of Frederick L. Rawson, exponent of divine healing, who arrives in southern California tomorrow for a twelve-day series of lectures and classes in healing by "true prayer."

Rawson, before his sudden turning to metaphysical research about eighteen years ago was regarded as an authority on scientific subjects and inventions. He became interested in mental healing through an investigation he made for the London Express. Since that time he has devoted his life in what he terms treatment by "true prayer."

This is his third visit to America. During his stay here he will give a lecture in Chamber of Commerce auditorium, Glendale, Saturday evening at 8 o'clock. Two lectures Sunday at 3 and 8 o'clock in Music-Art hall, 231 South Broadway, and noon-day lectures next week in Symphony hall, 232 South Hill street, Los Angeles.

FLEET OF MOTOR BUSSES PROPOSED

City Officials Ride in First Car
Which Is Offered for the
Municipal Railway

(Continued From Page 1).
hall today, following the ride in the car last night.

Why does Charles B. Guthrie, 103 1/2 South Brand boulevard, wish official information in regard to the present franchises of the Pacific Electric, Southern Pacific and Salt Lake?

A communication was received last night from Mr. Guthrie by the city council requesting definite information in regard to the city's agreement with operating transportation companies.

Although no reason whatever was mentioned for the request, the council instructed City Attorney Bert Woodward to furnish the necessary information to Mr. Guthrie at once. His letter was not commented upon. This morning Mr. Guthrie refused to discuss the matter, but stated that he would do so as soon as he had considered the information furnished him.

When asked if he was contemplating the establishment of a bus service, Mr. Guthrie refused to commit himself, but did not offer a positive denial.

Expects Jitney Service
"I think jitney bus service is inevitable," declared Mr. Guthrie. "There isn't any question about it. The service may be crude and this may not be an opportune time to start it, but then again it may be just the time."

"There is no doubt but that ultimately we are going to do all our transportation business by automobile. They will pull up the tracks and pull down the poles."

"The Pacific Electric's plan of running a tunnel under the hill and shortening the route fifteen minutes into Glendale will be a big thing for Glendale. If they just shorten the fares now to about 15 cents it would be a big incentive."

"But regardless of the fare here, Glendale has sufficient attractive features to overcome the handicap of high street car fares and high telephone service. People will live here. They are not going to be denied the privilege of living here. We look forward to a big year. Inquiries in regard to real estate now are just double what they were at this time last year."

Glendale Carpenters' Union, Local No. 563, meets Monday evening at 7:30 in R. of P. Hall, Park and Brand. Visiting Carpenters Invited. R. T. Hamilton, Business Agent. Phone Glendale 1280-W

COMPLETE MOTOR LINERS

LONDON—Two motor passenger liners just finished are stated to be the first of such vessels equipped with oil engines to put to sea. It is reported in the current issue of the Motor Ship that during November in England six oil-engined vessels were completed and seven launched, and thirty-eight motor ships during the quarter.

FOUR KILLED BY TRAIN

HANNIBAL, Mo., Jan. 27.—Four men were killed near Palmyra, Mo., when a Burlington passenger train struck their automobile at a crossing. The dead: A. A. McMillan, 35, Marion county farmer; George Ragar, 55, farmer; Steve Gupton, 55, farmer; unidentified man, believed to be a brother of Ragar, from Montana.
